50TH PARALLEL ESTATE

50TH PARALLEL ESTATE

50th Parallel Estate was started from scratch in 2009 when owners, Curtis & Sheri-Lee Krouzel, hand-planted the first 10 acres. Today, we have 61 acres and 13 vineyard blocks. 50th Parallel is primarily a Pinot house with 40% of its production dedicated to Pinot Noir. We also specialize in cool climate varieties which include Gewürztraminer, Riesling, Ehrenfelser, Chardonnay, and Pinot Gris. Our winemaker, Matthew Fortuna, has been with 50th since 2013 and shares the same infectious passion for Pinot. He believes first and foremost that the hard work is done in the vineyard to produce the best quality fruit.

EX NIHILO

"Out of Nothing"

EX NIHILO VINEYARDS

Inspired by Frederick Hart's sculpture Ex Nihilo—Latin for "out of nothing," depicting the creation of humankind—Ex Nihilo Winery was founded on a dream and a deep passion for the land. With patience and care, the team transforms what begins from nothing into something extraordinary. Their wines reflect a pursuit of meaningful connection: to the land, to the seasons, and to the people who gather around each bottle, shaped by southwest-facing vineyards overlooking Okanagan Lake. "Our offering is wine, our strength is people. What comes 'out of nothing' endures." – Mike and Janet Azhadi

PARADISE RANCH

PARADISE RANCH

Paradise Ranch wines are born of cold and wind. Fruit that was carefully grown over the hot summer months are left to hang and concentrate as they raisin on the vines. At very cold temperatures, below – 8 °C, the fruit is picked and while frozen, pressed to yield very small quantities of intensely sweet and concentrated juice that naturally ferments into icewine. With a long historical legacy of excellence, Paradise Ranch wines are a true celebration of the harvest- the year of growth painstakingly picked and pressed to yield beautiful gems of icewine bottles enjoyed anytime of the year.

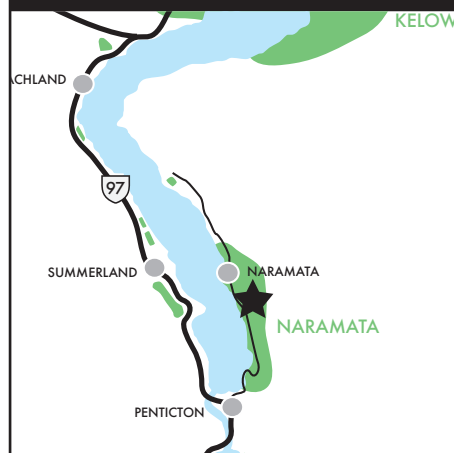

WHISTLER ICEWINE

WHISTLER ICEWINE

Whistler wines were created in the spirit of celebration: for the Olympics which were held in the iconic Canadian location of Whistler. Fruit that is harvested in the extreme cold of Okanagan winters captures all that is Whistler – cold, exciting and beautiful. Come taste the intensely concentrated and delicious flavours of dessert wines that celebrate the true Canadian identity.

LITTLE ENGINE
WINES

LITTLE ENGINE WINERY

Why Little Engine.... Because each and everyone of us has a Little Engine story. We can all relate to a story of overcoming obstacles and achieving greatness. The children's fable of the Little Engine personifies will and determination, a winery dedicated to these same pursuits seemed befitting of the same title, and so became Little Engine Wines.

Our philosophy begins in the vineyard. Precise pruning, canopy management, and cluster thinning. We utilize very low crop tonnage producing fruit with intense concentration. Hand selected fruit combined with minimally-invasive wine making techniques allow for our wine's pure expression. A combination of natural yeasts, gentle maceration, French oak barrels and attention to every detail, results in wines of depth, character, elegance and finish.

DA SILVA VINEYARDS

Our story begins in 1956 when our family first immigrated from Portugal to farm in the Okanagan Valley. It is with this farming heritage and decades long knowledge that Da Silva uses in crafting wines that directly reflect the individuality of our family vineyards. Whether it is refined and structured reds or crisp, refreshing whites, our winemaking process is focussed on guiding our grapes from harvest to bottle with unwavering attention to detail. We use an old-world approach to winemaking, where the vineyards shape the wine and aging process. This steadfast commitment results in wines we hope you will fall in love with.

CHURCH & STATE WINES

Originally established here on Vancouver Island in 2004, Church & State Wines has expanded to include 80+ acres of vineyard in the Oliver-Osoyoos corridor in the Okanagan Valley. The latest addition to our property was the Coyote Bowl Vineyard in 2011. Church & State produces 100% BC VQA wines. Every wine we produce has been grown in our own estate vineyards and nurtured under the strict eyes of our Vineyard staff and Winemaker, Arnaud Thierry.

estate winery

FRENCH DOOR ESTATE WINERY

French Door Estate Winery is a family owned and operated winery and vineyard. Founded in 2019, we are located on the beautiful Black Sage Bench, South of the town of Oliver.

This winery was established with a passion for quality wine. Our 10-acre property is planted with 100% vinifera vines on beautiful, expressive soils that have resulted in rich, lush, and character driven wines.

The goal of our winery is to create honest, low-intervention wine, from sustainably grown grapes, in a classic old-world French style. We believe it takes the best kind of grapes to make the highest quality of wine, and to ensure that every bottle is a true expression of us, and our commitment to excellence.

MOON CURSER VINEYARDS

Moon Curser Vineyards is a boutique, family-owned winery located on the East Bench above Osoyoos, BC, a South Okanagan border town known for its hot summers, lakeside fun, and vineyards. The Moon Curser name pays tribute to the gold smuggling history of Osoyoos.

The Moon Curser wines, however, break from tradition – the winery's focus has always been on making premium wines from unusual (in the Okanagan) old-world varieties such as Tannat, Tempranillo and Dolcetto, among others.

Moon Curser was recognized as Best Performing Small Winery in Canada at the 2019 WineAlign National Wine Awards of Canada.

ALDERLEA VINEYARDS

Alderlea Vineyards is one of Vancouver Island's oldest vineyards and wineries with a long held reputation for exceptional quality. Nestled on a gentle slope in the heart of the Cowichan Valley, the vineyard is situated in close proximity to both a lake and the Pacific Ocean, surrounded by mountains which create a unique microclimate that is ideal for growing grapes. Current owners, Zac and Julie, took over Alderlea Vineyards in 2017, bringing with them a strong commitment to sustainable farming and winemaking, in order to make some of the best wines in Canada. Our white wines are bright, crisp, and aromatic, pairing beautifully with coastal cuisine. The red wines we produce are balanced, fruit-forward and uncharacteristically bold for Vancouver Island, showcasing the distinctive climate and location of the vineyard. We are excited to be part of the history of Alderlea Vineyards and to continue to create outstanding wines that epitomise the character and beauty of the Cowichan Valley.

CORCELETES ESTATE WINERY

Corcelettes is a family run boutique winery located on the mineral rich rocky soil in the pristine Similkameen Valley. Nestled against the sunbleached mountains, It is here where we place our greatest care and efforts in the vineyard, as we believe in making our wine on the vine. No short cuts are ever taken in trying to further find balance between viticulture practices, our environment, and flavours. Grow exceptional grapes, and exceptional wines emerge.

The name “Corcelettes” (KOR-sah-let) refers to our family farm in Switzerland, where we come from. Corcelettes was once the breadbasket farm that fed the castle of Grandson, not far from Lausanne. Today, the team at Corcelettes strives to produce wines that express true varietal character and capture the magic of the Similkameen terroir. We offer an experience unlike any other, a little less mainstream and uniquely authentic.

PHANTOM CREEK ESTATES

PHANTOM CREEK ESTATES

Home to estate vineyards across two distinct benches in the Okanagan Valley. Uniquely influenced by geological forces millennia in the making, today these acclaimed, historic vineyards are each certified organic and farmed according to meticulous biodynamic techniques.

Established in 1996 by pioneering viticulturist Richard Cleave, Phantom Creek Vineyard is consistently recognized for producing some of the best red wines in Canada. And its tiny acreage is in sharp contrast to its ability to produce powerful, opulent wines. Located on the lower terrace of the southwest-facing Black Sage Bench, it sits just above the valley floor, ensuring full access to the warm afternoon sun. Its well-draining sandy soils were caused by streams that slowly deposited nutrient-rich sediment over thousands of years.

ORCHARD HILL ESTATE CIDERY

Nestled next to the mountains on the western bench of the South Okanagan Valley, Orchard Hill Estate Cidery is located 10 minutes north of Osoyoos. Being on the western bench the orchard is able to gather the early morning sunshine needed to grow juicy apples. All the apples are grown on the property in a high density planting, which is consequently more eco-friendly, using the farmlands efficiently and wisely. The cider is carefully hand crafted on the orchard by the Dhaliwal family with fruit grown right on the family orchard. There are five varieties which are used to make the signature Summer Cider. A blend of old and new varieties: Macintosh and Fuji apples are the base for this signature blend, creating a true dry style cider.
