

♥■ Make a Difference on the Eastside

Every day, pets in our community face hunger, preventable illness, and the threat of losing their homes — not because their families don't love them, but because access to affordable pet care and supplies is limited.

At **Eastside Pawject**, we are committed to changing that. Our mission is simple:
Nourish. Protect. Connect.

With your sponsorship, we can:

- **Fill pet food pantries** to keep bellies full and pets with the families who love them.
- **Add additional pantry locations** so more neighborhoods have access to food.
- **Provide microchips** to reunite lost pets with their owners.
- **Host vaccine clinics** to protect pets from preventable diseases.
- **Distribute spay/neuter vouchers** to prevent unwanted litters and reduce shelter overpopulation.

We serve neighborhoods across the eastside of Indianapolis — including Christian Park, Irvington, Warren Park, and surrounding areas — where resources for pet owners are often scarce. Your support will directly impact these communities, creating healthier pets, happier families, and fewer animals entering shelters.

Together, we can make a **lasting difference**. Your sponsorship is not just a donation — it's a lifeline for pets and the people who love them.

■ Sponsorship Goals

- **Microchip Hero (\$250)** – Sponsors 50 microchips & registrations.
- **Pantry Pal (\$500)** – Fills a pet food pantry box for 2–3 months.
- **Vaccine Clinic Supporter (\$750)** – Helps host a low-cost vaccine clinic for the community.
- **Spay/Neuter Champion (\$1,000)** – Covers 10–12 spay/neuter vouchers, preventing hundreds of unwanted litters.
- **Pawject Partner (\$2,500)** – Sponsors a new pantry build plus a mini vaccine clinic or microchip drive.
- **Community Champion (\$5,000+)** – Sponsors a full season of food, clinics, and outreach events with public recognition.
