

St John's & St Thomas's

AUTUMN FAYRE 2021

This didn't take place last year, due to lockdown, and we asked for donations instead. This traditionally is our biggest fundraiser and the Parish relies on this money. You were your usual generous selves and we managed to raise roundabout our usual £3000!

Things are not quite back to normal yet so we are asking you again to save up the money you would have spent on supplying the fayre items and then on buying them back(!) and **donate it to Parish funds**, via **DONA** on the website or **Phil**, details as usual in newsletter.

Eileen has kindly agreed to bake her famous **Christmas cakes** to order. She has very generously kept the cost to only £10 - a bargain for a delicious cake full of fruit & alcohol! Order direct with Eileen after Mass or phone her on **01638 716320**

We will also be having a small **raffle**, sign up on the sheets after Mass in the usual way. Prizes include the usual wine hamper, bottles of spirits/sherry, an original painting by a local artist, L S Lowrie memorabilia And any other prizes donated before 19th December!

Hopefully we will be able to do some small fundraising events together again in Spring but for now please support by donation. Many thanks in advance - I know you will all be as generous as ever!
