

The Nursing Opportunity:

Experience life-changing personal and professional growth in one of the world's most rewarding careers.

In an post-pandemic world, the nursing profession continues to be one of the most in demand and rewarding careers on the job market. Nursing requires a combination of great technical skill and compassion, and its rewards are amazing flexibility and financial freedom at it's upper echelons.

Nursing school is HIGHLY competitive. The majority of nursing students have some background as a nursing assistant, in some form. Becoming a Certified Nurse Assistant is a great way to enter the nursing profession and make yourself a more valuable & attractive candidate as you climb the nursing ladder.

Who We Are

Destiny School of Nursing & Education is a training & certification center for aspiring healthcare workers and future nursing school candidates. All graduates are prepared to sit for the State approved Competency Evaluation Testing vendor.

Our mission is to improve quality of life for persons with (and without) disabilities and empower them to achieve equal access, advocacy, education, and wellness in hopes of promoting their unique God-given ability.

We currently offer three certification programs, including a comprehensive Certified Nursing Assistant course that prepares you for state-approved testing.

Our courses are listed below; refer to the Program Catalog (reverse) for more detail:

- **Certified Nursing Assistant Program**
- **IV Tech Certification**
- **Phlebotomy Certification**

How To Start Your Nursing Career in 45 Days or Less

1. Choose Your Course

While many of our students pursue multiple certifications, it's best to start with a single focus first. Choose from one of our three programs; do research and ask questions to find out which course is best for you first.

- **Certified Nursing Assistant Program**
- **IV Tech Certification**
- **Phlebotomy Certification**

2. Apply & Enroll!

Use the application form in this brochure, or online to apply & enroll. Make sure you meet the admission requirements below. Don't hesitate to call us if you have questions.

- High school diploma/GED
- Criminal background check
- Pass physical examination
- State-issued ID & SS card
- Basic reading & math skills
- Signed enrollment & payment agreements

3. Complete Your Course

Courses range from 5 days to 9 weeks, and may be taken in a classroom or online setting.

Program Catalog

Certified Nursing Assistant (CNA) Certification Course

The Certified Nursing Assistant (CNA) is an integral member of the patient care team in healthcare. This course is a study of principles and procedures used by the nurse assistant in long term care, home health settings and hospitals.

Through lecture, discussion, role play, supervised laboratory and clinical experiences, students gain the knowledge and skill needed to provide basic nursing care for patients in hospitals, nursing homes, private duty and other health care facilities. **Upon completion, students will be eligible to take the California CNA Competency Examination.**

This 6 week course is available for classroom or online instruction. Installment plans are available.
Price: \$1488.00

IV Certification

This course is a 5-day course that combines Intravenous (IV) Therapy and Blood Withdrawal (BW) instruction that is delivered in the classroom or online. **Launching soon - call for information on our first date.**
Price: \$335.00

Phlebotomy Certification
