CARE AFFILIATES RESIDENTIAL

Transforming Lives, Building Futures

Welcome to

Care Affiliates Residential

Imagine a place where young people are recognized not just for the challenges they face but for their full potential, dreams, and remarkable capacity for growth. Welcome to Care Affiliates Residential, a leading youth residential treatment facility that serves as a beacon of hope, healing, and transformation for adolescents struggling with mental health issues and behavioral challenges.

Tailored Care for Every Individual

At Care Affiliates Residential, we appreciate that each young person has a unique journey. Therefore, our approach is tailored to meet individual needs. Our comprehensive array of services is designed to address a wide spectrum of needs, incorporating individualized therapy, group counseling, educational programs, and life skills training. Our goal extends beyond treating symptoms; we are dedicated to fostering resilience, self-esteem, and personal development.

Our Qualified Residential Treatment Program

Care Affiliates Behavioral Health's residential program offers a non-institutional, safe, secure, and nurturing environment for "at-risk" adolescent youth. Key components include:

- Assessment and Placement
- Trauma-Informed Care
- Intensive Mental Health Services
- Family Engagement
- Education and Life Skills Training
- Aftercare Support
- Qualified Staffing

Individualized Case Planning

At Care Affiliates, we focus on individualized case planning, recognizing the unique backgrounds, challenges, and strengths of each youth. Our comprehensive assessments, tailored treatment plans, and trauma-informed care ensure that each resident receives precisely what they need to heal and grow.

Specialized Care and Support

Our mission is to deliver specialized care tailored to the unique needs of our clients. Key aspects include:

- Individualized Behavioral Support
- Group Therapy Sessions
- Recreational Activities
- Education and Life Skills Training
- Aftercare Support
- 24/7 Supervision

Empowering Through Group Therapy and Life Skills

Group sessions cover vital topics such as:

- Healthy Daily Living Skills
- Independent Living Skills
- Self-Esteem Building
- Financial Literacy
- Effective Communication
- Peer Mediation Methods
