

## A Taste of the Old Country: Irish Brown Bread & Hand-Flavored Butter

Thursday March 12th 6-9PM  
Adam's House  
241 Coram Ave Shelton, CT  
Cost \$75 per person

Join Michele, your Cultural Concierge and guide, for an evening dedicated to the visceral connection of making. We will explore the heritage of the Irish Hearth, honoring the lineage of the village through the very bread that sustained it.

We will learn about the beauty of quickbread and each make a loaf. As the bread bakes, we will choose from different herbs, spices and surprises to create your own herbed butter. You will go home with a loaf of brown bread, a jar of herbed butter, a recipe card and the joy of a shared experience.
