CAPABILITY STATEMENT

Health IT that moves
with the mission.

FordHall Technology is an SBA-certified Service-Disabled Veteran-Owned Small Business headquartered in Baltimore, Maryland. Our founders built their careers running health IT for Navy Medicine and the VA as hospital CIOs, program managers, and healthcare administrators. We bring that experience to the agencies that serve Veterans, service members, and the public.

CORE COMPETENCIES

Health Information Technology

Systems that store, share, and analyze patient data

Information Technology

Networks, cloud, security, O&M, help desk

Program and Project Management

Planning, controls, and executive reporting

Training and Workforce Development

On-the-job, classroom, and online delivery

Customer Experience Services

Contact center operations and CX assessment

Healthcare Interoperability

HL7 FHIR, C-CDA, X12, and TECA alignment

Information Management

Data governance, analytics, dashboards

Advisory and Management Consulting

Strategy, performance, and process improvement

Communication and Outreach

Stakeholder engagement and strategic messaging

DIFFERENTIATORS

Leaders from inside federal health. Former CIOs of Naval Hospitals Great Lakes, Sigonella, and Okinawa; led technology planning and activation of the Lovell Federal Health Care Center, a first-of-its-kind VA/DoD partnership.

Standards depth. Neutral convener of VA's Interoperability Pledge Community of Practice, spanning payers, providers, vendors, and TECA participants.

National VA reach. Health information exchange adoption across all 18 VISNs and more than 168 VA medical centers.

Mission-grade delivery. Governance support for 27+ VA OIT bodies, with Section 508-compliant deliverables.

PAST PERFORMANCE

VA · VHA · GSA MAS	VHIE Engagement Support. Adoption, training, and outreach for VA health information exchange tools across 18 VISNs and more than 168 VA medical centers.
VA · DIGITAL HEALTH OFFICE · GSA MAS	Interoperability Pledge Program Support. Community of practice management, standards alignment, and workgroup facilitation.
VA · OIT · T4NG	Executive Support Services. Executive operations, governance facilitation, and correspondence for the VA CIO.
VA · VHA CIDMO · VECTOR	Program Management Support. Informatics governance, communications, knowledge management, and Lean-Agile coaching.
SSA · SITS BPA	IT Support Services (SITS). Enterprise program management, O&M, workflow automation, and advanced analytics.
DHS · FEMA	COVID-19 Funeral Assistance. Inbound call center operations and document validation.
PERSANTE HEALTH CARE	Call Center Assessment. People, process, and technology assessment with process redesign and technology advisory.

Products. Authorized Seal Shield reseller: washable, antimicrobial keyboards, mice, and screen protectors, and UV-C sanitizing systems for clinical environments.
