

COMPANY OVERVIEW

FordHall Technology is an authorized reseller for Seal Shield, LLC - a world leader in infection prevention technology. Founded in 2006 in Orlando, FL, Seal Shield pioneered the industry's first dishwasher-safe keyboard and has since expanded its portfolio to include waterproof keyboards and mice, medical-grade screen protectors, privacy films, and advanced UV-C sanitization systems. Their ruggedized, employee-owned solutions are trusted across healthcare, federal, education, hospitality, and industrial environments to enhance cleanliness and safety.
