Day of Coordinator is As You Wish by Jenny and the DJ/MC is DJ by BAM. These are two of MVM's highly recommended vendors and we couldn't be more thrilled to be able to offer this promotion, based on availability.

Details

Each vendor will bill you independently. MVM will provide your contact information to both companies and they will connect with you to make a formal introduction, review their contract, and any deposit requirements they might have. Both vendors come highly recommended but MVM makes no representation on their behalf. You are not bound to utilize the service of any one vendor. If any of the three services aren't used, the discount will be removed by those remaining vendors that you choose to retain.
