An Introduction to gematria (The analytical study of the Bible)

Paul died and came into God's presence. God returned him to his body to witness to the reality of God and salvation in Jesus Christ. Paul and

Beth will give their witness on **Tuesday at 1:00 PM** to St. Anthony's upper grades and the general public. Paul details his death and return to his body in his book "Faith Understood: An Ordinary Man's Journey to the Presence of God". Visit faithunderstood.org for his book and other resources.
