

Electrician, CEC Solar Installer

INTEGRITY, RESPECT, HONESTY AND GROWTH

Full Time Role | \$80,000 - \$120,000 base plus performance bonus

Harris Electrical + Solar is a rapidly growing electrical & solar business, based in the heart of the Hunter Valley - Singleton, just a stones throw away from the Hunter Vineyards & Newcastle Beaches.

We pride ourselves on building a team around personal values that closely align with our company values of Integrity, Respect, Honesty & Growth! With exposure across the domestic, commercial, industrial & agricultural spaces, our team loves having no two days that are the same!

Our people love:

- our ability to work together as a team
- our effective communication
- the challenges their roles bring
- our flexibility, hours & 4 day working weeks
- our positive environment & opportunities to learn!

Supported by a well organised, dedicated administration & management team, Harris Electrical + Solar is a friendly, fun & supportive work environment.

Enough about us! About you:

- An Electrical Contractors Licence
- CEC Licence / Accreditation or the willingness to complete one with previous solar experience
- Working at Heights
- Current NSW Drivers Licence
- Genuine, down to earth customer service skills
- A passion for growth & development
- Personal values that closely align with our company values of Integrity, Respect, Honesty & Growth

If you are ready to make the change - apply via SEEK! Hit us with your current resume & a cover letter that outlines why your personal values align with ours!

Looking for a tree change? Reach out to our amazing team for information on the local community! We would love to help!
