**Play 15x**

**Play 8x**

**Play 9x**

**Play 2x**

**Play 3x**

Fill changes

Fill changes Sometimes longer

Repeat with Triplet fills... 3:03

Repeat with fills to end.

The image shows a drum set score for the song 'Spirit in the Sky'. It consists of five staves of music in 4/4 time. The first staff starts with a 6-measure rest, followed by a 15-measure phrase with 'Possible brush?' and 'Claps' markings. The second staff has a 7-measure phrase. The third staff has a 15-measure phrase with triplet markings and an 8-measure phrase. The fourth staff has a 9-measure phrase, a 2-measure phrase, and a 3-measure phrase, with 'Fill changes' markings. The fifth staff starts with a 17-measure phrase, followed by a triplet fill section and a final fill section. Various performance instructions like 'Repeat with fills to end.' and 'Sometimes longer' are included.

Sounds like possible brushes or soft bamboo sticks on snare in places? The shuffle changes to Hi Hat from time to time.

A Chime or Bell is played on count one with some verses around measure 4 or 8 of verse.

The fills are not always your usual 4, 8 or 16 measures! Different Phrasing, careful.

Fills are usually full triplets on snare switching to toms...
