The image shows five staves of drum notation for the song 'Demons' by Imagine Dragons. The first staff starts with a 4/4 time signature and a 'pick up 1 count' instruction. It features a 'Rest 15x' followed by a 'Muffled ...' section. The second staff begins at measure 44 with 'Normal ...' and 'Play 8x', followed by another 'Rest 15x'. The third staff starts at measure 5 with 'Muffled ...' and 'Normal ...', then 'Play 15x'. The fourth staff starts at measure 7 with 'Play 7x' and includes the lyrics '"Unless you show me how" ...'. The fifth staff starts at measure 9 with 'Play 7x' and includes the lyrics '"hide" ... (echo) ...'. The notation uses various note values, rests, and 'x' marks to indicate specific drum sounds.

Notes:

No Crash(count 1) on Repeats.

Another version of this song is also transcribed from a youtube channel. For version 2, ask Danny for the music. It is considered intermediate and has more diversity and fills.
