Notes: Crashes are on Count 1 of Repeats.
Electronic Drums are used as well as acoustic drums. This is a combination of both. More E-Drums can be added, like on Count 4 of Measure 15 with a buzz snare. All Low toms are Electronic as well. Acoustic works fine if you don't have E-Drums.
The Last Phrase from Measure 26-end, has a Shaker on Count 1 and, 2 and. This can be substituted with a Low Hi Hat tap on the edge.
This Drum Transcription was originally made by a drum student: Gavin Leishman, then checked and written on the PC by Danny Smith.
