Notes:

Crashes on Repeats(count 1).

The Rim Click can also be a brush on the snare, along with the Bass sounds different on the Rim Click/ Tambourine parts(like the Left on a Double Bass, or dampened electronic Bass).

Multiple Crashes a plus, if you don't have more than one Crash, use it for all of them.

Most Grooves use a single crash unless otherwise shown by cymbal crash size in inches or china.

Measure 25 could be a tom instead of the snare for the first 5 notes.
