

New Protocol for The Opening of UV Latin Dance Academy

All students must read before returning to UV. These are the regulations we will be implementing in order to provide the safest possible environment for our students and staff.

- 1) When entering the school students must have their temperature taken before entering. If you have a temperature above 100 degrees you will be asked to go home.
- 2) If any of the following applies to you, we respectfully ask you to stay home:
 - i) You have experienced any symptoms related to Covid-19 in the last two weeks.
 - ii) You have been around anyone experiencing symptoms in the last two weeks.
 - iii) You have traveled in the last 2 weeks by plane.
- 3) All students must sign a liability waiver before entering the school again for the first time since the re-opening. Please see the waiver below.
- 4) All students must use hand sanitizer upon entrance to the school. We highly encourage you to bring your own hand sanitizer in an effort to help keep the school supplies fully stocked.
- 5) All students must wear a mask when entering the school. If you do not have one, we will provide masks on location for \$2.
- 6) We respectfully ask that you do not bring any belongings into the studio. Please keep everything in the trunk of your car. **DO NOT** leave anything in the backseat of your car, as there are periodic break-ins.
- 7) Bathroom use: Students must use hand sanitizer before and after entering and exiting bathrooms. Students are asked to wipe down all surfaces in the bathroom after using the facility including toilet seat, toilet handle, paper towel handle, sink fixtures, and doorknobs. Spray and wipes will be provided in the bathrooms at all times. Students must wash their hands before leaving and use paper towels to open and close the bathroom door.
- 8) There will be sanitizing stations in every studio and every bathroom which will include hand sanitizer, industrial-strength disinfectant spray, and paper towels.

- 9) Each room and surface is sanitized with a chemical fogger each night to ensure the studio is a safe environment for all.

- 10) The use of cell phones while in the studio is highly prohibited. We encourage you to wipe down your cell phone before and after leaving the school. Please either leave your phone in your car or keep it in your pocket.

- 11) If you do not yet feel comfortable taking any classes at the school, we will still be offering a Facebook Live option. All VIP classes will be filmed live through Facebook on our VIP group.

- 12) No students will be allowed to congregate in the studio. After class please exit the school immediately. Each room will now have its own exit door so you will not need to walk through another room to exit the building.

We understand that this new protocol is not ideal but we plan to put the safety of our students and staff first and foremost above everything else. As time goes on, we will assess when to resume our regular syllabus/curriculum, bring back more instructors for private lessons, and open up team rehearsals again. We will also come up with a plan of action on when and how to hold regularly scheduled events like the MLDC and UV showcase. We would like to thank our students for their undying loyalty to UV Latin Dance throughout these hard times. Without your support during the quarantine, the re-opening of UV would have never been possible. Thank you from the bottom of our hearts and we promise to continue to bring you world-class instruction in the safest environment possible.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

UV Latin Dance Academy has put in place preventative measures to reduce the spread of COVID-19; however, UV cannot guarantee that you will not become infected with COVID-19. Further, attending UV Latin Dance Academy classes could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending classes at UV Latin Dance Academy and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at UV may result from the actions, omissions, or negligence of myself and others, including, but not limited to, UV employees or class participants.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with attendance at UV Latin Dance Academy or participation in Club programming (“Claims”). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless UV Latin Dance Academy, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of UV Latin Dance Academy, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any UV Latin Dance class.
