Ornament Donation to St. Luke's

The Women of St. Mark's were able to collect 270 ornaments for St. Luke's Hospital.

This fundraiser coincided nicely with our annual Ornament Exchange Fellowship. St. Luke's was very excited about the donation. They placed an ornament on each patient's tray on Christmas Day. We have decided to make this an annual tradition and service project. The picture above was taken at St. Luke's when we delivered the ornaments. New WOSM Ideas

*If you have any ideas for the group (social/fellowship, volunteer opportunities, etc.), please reach out to MJ Berryman.

*We would like to publish a WOSM Cookbook to celebrate the 80th anniversary of St. Mark's. Our idea is to gather the recipes by mid-summer and have the printed version ready by Oct/Nov (just in time for the holidays). We are thinking about doing pre-orders and then will print extra to sell. We will need help in organizing, formatting and selling the cookbooks. If you are interested in helping, please contact Jillian Silvius.

*We would also like to streamline our grant application process to make it more user-friendly. We would like to organize a grant committee in order to do this. If you are interested, please contact Peggy Christman.

*If you have any ideas for things that could be added to our newsletter (quarterly mail out), please contact Melissa Ashlin.
