FOR IMMEDIATE RELEASE

The Art Gallery (TAG) unveils "Startling Unpredictability: The Art of New Beginnings" hosted by New England Art Center, an innovative space that celebrates contemporary visual artists and makers by fostering community engagement and artistic expression.

Boston, MA – TAG, a groundbreaking new art space, is set to promote and revamp the local art scene with its inaugural exhibition, "Startling Unpredictability: The Art of New Beginnings," opening on August 2. Located in the heart of SoWA Arts and Design District, TAG promises to inject fresh energy and diverse perspectives into the local art circuit. This extraordinary showcase features the works of 55 contemporary visual artists and artisans, promising to shake up the art scene and promote unprecedented engagement between visitors with local and regional talents.

Inspired by philosopher Hannah Arendt's reflections on the nature of beginnings, the exhibition's theme explores ideas of innovation, freedom, and the potential for transformative change. TAG's 1,500-square-foot gallery space has been meticulously curated to accommodate various artistic expressions, including wall pieces, 3D work, and hanging pieces in multiple mediums, including painting, drawings, mixed media, ceramics, wearables, woodwork, and artwork never seen before.

"We're thrilled to introduce TAG to our community and beyond," says Claudia Fiks, Gallery founder and director. "Our vision is to create a dynamic environment where artists and art enthusiasts can connect, engage, and be inspired. It's a celebration of diverse voices, innovative techniques, and the power of art to bridge cultural divides. 'Startling Unpredictability' embodies our commitment to embracing new perspectives and fostering ongoing creativity."

TAG invites art enthusiasts, collectors, and the general public to experience "Startling Unpredictability: The Art of New Beginnings" and become part of a vibrant community that appreciates and supports artists' invaluable contributions to our lives and society.

The gallery invites art lovers, collectors, and the curious public to celebrate the exhibition opening on Sunday, August 11, from 3 pm to 5 pm. The event will offer an opportunity to meet many of the featured artists. TAG will open for extended hours on First Friday, August 2, from 5 pm to 8 pm, an event organized by SoWA Arts and Design District, where all galleries in the area open late.
