at Hershey

Bryce Wunderlich led off the top of the 3rd with a walk. Then after a strikeout, Bryce Detwiler also walked and Branson Adams hit an RBI single to score Wunderlich and open up the scoring. Detwiler and Adams advanced to third and second respectively on the throw by Hershey to try and get Wunderlich out at the plate. Jenkins then hit a sac fly to score Detwiler. That is all Mifflin would end up needing as Grim threw 6 shutout innings allowing 4 hits, 2 walks and 6 strikeouts to earn the win. RJ Weaver came in for the 7th and after getting the first two batters out, the next two walked and singled respectively but then he got a groundout to end the game and earn the save.
