

BENTON FRANKLIN COUNTY BAR ASSOCIATION

Once again the time has come to collect annual bar dues. The 2023 dues are \$60.00 per attorney and are due by January 31, 2023. If you have a new attorney in your firm or know of an attorney new to the area, please pass a copy of this notice along to them. Similarly, if you find yourself receiving this email but are not a dues paying member, please consider joining so that your email information is not deleted from the list.

As always, we are updating the list of member attorneys in Benton and Franklin Counties. Please complete the information below so we can make sure all members are on the updated e-mail list.

The Dues Form includes an easy way to make a donation to the Benton Franklin Legal Aid Society, which is always in need of funding and directly helps the people in our community. If you choose to make a donation, please include the amount in your check or include a separate check. The BFCBA will then distribute the funds to the Legal Aid Society.
