

Terms & Conditions

Subscription plans (Access, Plus, Care) provide access to dental hygiene and periodontal services over a 12-month access period, subject to availability and clinical suitability.

Promotional pricing applies only where a valid code is used at checkout and is limited to the first two months. Subscriptions automatically continue at the standard monthly rate unless cancelled.

Subscriptions are billed monthly in advance via Stripe. Customers authorise recurring charges to their selected payment method.

Late cancellations (under 24 hours' notice) and non-attendance are treated as used sessions. Cancellation fees may apply.

Once a session has been booked or attended, no refunds are provided for the remainder of the access period. Where services have been used, we may charge the private cost of sessions already delivered to the card on file.

These Terms are governed by the laws of England and Wales.
