

## The ClassROOTS Project: Growing SEL from the Ground Up

Brought to you by Word Nerd Academy, LLC

### Overview:

The ClassROOTS Project is a joyful, dynamic initiative created by Word Nerd Academy to support educators, microschools, homeschool parents, and youth programs with high-quality, accessible social-emotional learning (SEL) tools.

Rooted in compassion and creativity, this program is designed to meet learners where they are while nurturing emotional resilience, empathy, and strong classroom or home learning culture.

### Our Mission:

To cultivate classrooms and communities where children grow with confidence, emotional awareness, and joy by providing SEL-centered curriculum, resources, and experiences for the whole child and those who care for them.

### What We Offer:

- 36-Week SEL Curriculum aligned with CASEL competencies
- Hands-On Activities & Projects to build connection, communication, and self-regulation
- Teacher & Parent Toolkits with wellness tips, self-care practices, and reflection exercises
- Interactive Storytime & Bonding Events that nurture relationships between children and their caregivers or educators.
- Professional Development Workshops for educators looking to create mindful, inclusive, and emotionally safe learning environments.

### Who It Serves:

- Traditional K-5 Classrooms
- Homeschool & Microschool Families
- Church Groups & Afterschool Programs
- Educational Co-ops and Learning Pods

### Let's Grow Together:

The ClassROOTS Project believes that when we plant seeds of emotional literacy early, we build lifelong learners who are kind, curious, and confident. Whether you're teaching in a classroom, from your kitchen table, or under a pavilion at the park, we're here to help you grow something beautiful.
