

## Contaminants Waiver

I \_\_\_\_\_, instruct Bingham Restoration to mitigate/remediate without performing any post remediation testing, including, but not limited to, post mold air quality testing, post bacteria swab testing, and asbestos/lead testing.

Due to Owner's instructions above, any resulting damage proceeding from the date Bingham Restoration placed any equipment is solely the owner's responsibility.

Bingham Restoration is not responsible wet rot, dry rot, mold, swelling, bacteria, any damaged materials, or contaminants (including airborne) in respect to the services performed by Bingham Restoration or any extended damages past the date of this agreement.
