

WINTER NEWSLETTER 2021

11/29/2021 | Winter Edition

As your plumbing and heating expert, Badger Plumbing, Heating & Mechanical Inc. is here to help ensure your plumbing & heating system remains in the best condition possible. Preventive maintenance and repairs — performed by our highly skilled and trained technicians who know your plumbing and heating equipment inside and out — is the best way to accomplish this.

The other critical ingredient is working with a company you can trust. Whether it's a repair, maintenance, new installation, or an emergency repair, our aim is to go above and beyond to serve you and your family.

From our family to yours, we wish you all have a Merry Christmas and a safe and Happy New Year!!!

How to Avoid a Holiday Plumbing Disaster

Gathering with family is what make the holidays so special. But having that many people in your home at once can wreak havoc on your home's plumbing system. Click on the "Read More" button below to see what steps to take to avoid a plumbing disaster this holiday season.

Are Your Pipes Ready For Winter?

Like it or not winter has finally arrived here in New England. Is your home ready for it? Better yet are your pipes ready for it? In this article we tell you the things you can do to prevent your

Discover Why Toilet Paper Has Become A Thing Of The PAST In More American Homes

Many people still think of bidets as the awkward thing you have to stand over without losing your balance but, bidets have come a long way. I think we all remember the "Great toilet paper shortage of 2020?" With great fear that we would never see toilet paper again, many Americans did the unthinkable and purchased a bidet. Anyone who has tried one will tell you how great it is and how happy they are that they bought one. But for those who have yet to give it a try, all I can say is, "You don't know what your missing!" In fact bidets are more sanitary and you feel much cleaner than using toilet paper. Best of all they save you money by cutting your toilet paper costs to almost nothing.

Click the button below to see why bidets are becoming more and more common in our homes.

RECIPE

Cheesy French Onion Bread

Ready in 20
minutes
Serves 8 people

Ingredients

• INGREDIENTS

- 1/2 c. (1 stick) butter, divided
- 2 large onions, sliced into half moons
- 2 tsp. fresh thyme, plus more for garnish
- kosher salt
- Freshly ground black pepper
- 2 cloves garlic, minced
- 1/2 c. beef broth
- 1 large boule
- 1 1/2 c. shredded Gruyere
- 1 1/2 c. shredded mozzarella
-

Preparation

1. Preheat the oven to 350° and line a large baking sheet with parchment paper. Using a serrated knife, crosshatch boule, scoring an inch in both directions and making sure to not slice all the way through the bottom.
2. In a large skillet over medium heat, melt 4 tablespoons butter. Add onions and season with salt and pepper. Cook until onions are very

soft, stirring often, about 12 minutes. Stir in garlic and cook until fragrant, about 1 minute. Add beef broth and cook until reduced, about 5 minutes more. Remove from heat.

1. Melt remaining butter then stir in thyme. Brush butter mixture all over bread, making sure to get inside the crosshatches; then stuff onions, gruyere and mozzarella into crosshatches.
2. Bake until cheese is melty and bread is toasted, about 20 minutes. Let cool for at least 5 minutes before serving.
