Why offer long-term disability insurance?

According to the Social Security Administration, 25% of people in the U.S. will experience a disability in their working years that prevents them from earning an income. And unfortunately, many aren't financially prepared.

47%

of Americans don't have enough savings to cover an unexpected \$1,000 expense.

66%

of all personal bankruptcies in the U.S. are tied to medical issues.

70%

of working Americans couldn't make it a month without a paycheck before experiencing financial hardship.

Ready to protect your income with long-term disability insurance?

If you work and rely on your source of income, now is a great time to apply for long-term disability insurance. Because your rates increase with age, it'll literally never be more affordable than it is right now.
