

Announcing the 20th Queen City Music Fest! **November 22–23, 2025**

We are thrilled to announce the **20th Annual Queen City Music Fest (QCMF)** — a long-standing celebration of young musical talent! This unique event offers a **quality evaluation program** in a warm, supportive atmosphere designed to encourage and inspire students from **Kindergarten through 12th Grade**.

What is the Queen City Music Fest?

QCMF is an informal performance evaluation experience where piano students receive **constructive feedback** and recognition for their growth. Adjudicators follow a unified scoring process to ensure consistency and fairness in evaluations.

New This Year:

In partnership with **Faber Piano Adventures**, students now have the opportunity to take part in the **Piano Adventures Online Theory Exams** on the same day as their QCMF performance!

About the Piano Adventures Theory Exams

These online exams are designed to:

- Build a love of music theory and performance
- Recognize student progress in meaningful ways
- Provide flexibility and accessibility for families

Students will bring their own device and headset to complete the exam on-site.

Exam Details:

- **Elementary Levels (Primer–2B):** 70 questions (pass = 49/70)
- **Intermediate Levels (3A–4):** 100 questions (pass = 70/100)

Certificates of Completion are awarded for passing either the **Theory** exam. Students will be recognized in person during the **Awards Recital Celebrations**.
