Dreaming of swimming, snorkeling, and sunbathing on white sandy beaches, visiting historic and ancient cities, the icy wonders of Alaska? Wave season can make your cruise dreams come true. Starting right at the end of the holiday season and lasting until the end of March, wave season also offers you huge savings. Wave season is a tidal wave of cruise promotions. It is a wonderful time to add value to your cruise vacation.

My life revolves around sunshine, beach, water and exploring. These chilly winter months make me appreciate the sunshine, tan lines, fruity umbrella drinks, and the tropical outdoors even more. What gets me through this time of year is knowing that I can hop a plane or ship and leave the bitter cold behind. When I am not traveling, just knowing I have a warm trip coming soon makes the winter days more bearable.

We offer free advice and quotes on all types of travel and would be delighted to visit with you about your next cruise or vacation anytime.

MY FAVORITE STATEROOM:

Inside/Oceanview/Balcony

Balcony on a high floor with its sweeping views to watch an amazing sunrise or sunset.
– Watching the sunrise with a cappuccino is the best way to start a day.

MY FAVORITE STATEROOM LOCATION:

Port/Starboard/Aft Facing

Aft facing is my favorite, the unobstructed views from the back of the ship are amazing. It is also a noticeably quiet location.

MY FAVORITE STATEROOM CATEGORY:

Concierge/Spa/Suite Class

You can never go wrong with any of these. I love them all.
