## Update on Holiday Party

Thank you Jami for hosting our December 11, 2021 holiday party at your house with potluck and gift auction. Beside thanks for hosting this lovely event, we also thank the 16 attending members who brought wrapped gifts to be auctioned off. The auction went well, and Cinda reported the auction generated \$250 in proceeds plus a \$29 donation to the Guild.

A special thank you to those members who donated items for Shade Tree Shelter. Vicki was able to deliver everything on the Tuesday after our meeting. They were very appreciative of our contributions.

# GETTING TO ALL SAINTS' EPISCOPAL CHURCH on 4201 West Washington Avenue, LV:

FROM SOUTH & EAST VALLEY: (Take I-15 North to) US 95 North, exit Valley View Blvd. and turn right. Turn left onto Washington Avenue when Valley View ends (about one quarter mile). All Saints' is about half a mile west on the left.

FROM WEST & NORTH VALLEY: (Take Summerlin Parkway west to) US 95 South, exit Decatur Blvd. North (exit after Decatur South, watch the signs!). Go north about half a mile and turn right onto Washington Ave. All Saints' is about half a mile east on the right.

Whichever direction you come from, PAY ATTENTION ONCE YOU TURN ONTO WASHINGTON. The church is on the corner of Washington and Glen Abby Court, but it's difficult to see until you're right next to it.

PARKING is available on the street and in the parking lot including in back of the church. If you have a long vehicle, consider parking on the street as the lot is not very deep. Parking in the back is closest to the meeting rooms (Parish Hall). Enter the campus in front through the red gate and follow the signs to the Parish Hall (across the courtyard toward the right). The Guild logo will be also posted to show you where to go. If you park in the back, enter through the door with the Guild logo. **Doors open 8:45 am.**

**Please note: Masks are required for anyone attending the meeting at All Saints' church.**

## Proposed Online Color Matching Dyeing with Alanna Wilcox

Maurine, our Program Coordinator, reported that Alanna Wilcox is working on creating an in-depth dyeing course that will take place over the course of 4 weeks with a blend of recorded content and live virtual meetings. Alanna is planning a college level course and will utilize her book as the textbook. It will cover dye record keeping, how to use her formulas to get the quickest most accurate color matches, how to use her dye calculator, the artistry of dyeing and applications, troubleshooting, and so much more! Alanna is anticipating the cost for this course would be between \$1200-\$1500, but that is a rough estimate. Check out her website, [alannawilcox.com](http://alannawilcox.com) To be discussed at the Guild meeting.

# Future Programs

## October 2022 meeting:

Jami proposes to have a workshop on how to make Christmas balls. She thinks it will be a good and do-able project for the group!

Materials needed for making the balls is lots of Christmas fabrics—**save your fabrics and look for more at quilt shops—Christmas in July!!!** To participate, white or cream, and 2 others like red, green, and blue, plus other darker holiday fabrics will be needed.

The other supplies we will need include Styrofoam balls, tiny pins, and ribbons. Jami may buy that, and will keep track of cost. Either the guild would cover the cost, or there would be a minimal charge per ball to members.
