

In business since 1988, Bitimec has pioneered the field of mobile washing machines for on-road and on-rail vehicles. We make more models and sell more machines than all of our competitors combined!

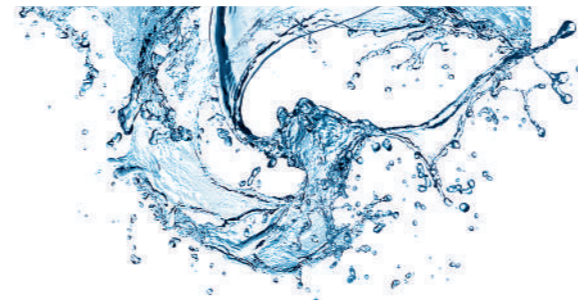

Our cost effective mobile machines are designed to make jobs easier and faster while using far less labor, water and time than conventional methods.

No matter what you need to wash, we will offer you the easiest solutions on the market, affording you the fastest ROI.

# Wash Bots Tank EZ

## Wash Bulk Transporters in a fraction of the time!

Designed for washing bulk transporters and tankers of all sizes, the Tank-EZ is available with 24V battery or Diesel power. Self-traction and push-button services such as soap, water and brush rotation make easy work of the largest jobs. The wide diameter 1600 mm (5'3") brush will easily reach in to clean the nooks and crannies of bulk tankers such as fuel, feed, cement and liquids. WASH-BOTS exclusive Double EZ Controls allow the slightest of operators to work this extra-large machine with total ease.

- 1 Stainless-steel base & frame with lifetime warranty.
- 2 Available in 24V Battery or Diesel power.
- 3 Patented Brush-Only inclination system.
- 4 Easy quick removable plastic nozzles.
- 5 Quick disconnect couplings.
- 6 Two full-functioning push-button EZ controls for safe working in two directions.
- 7 Height adjustable stainless-steel spray pipes.
- 9 Custom wash height at no extra charge.
- 10 Patented center mounted traction wheel.
- 11 All machines available with nebulizing or dema-venturi soap systems.
- 12 Quick disconnect coupling for water refill with automatic float.
- 13 Battery level indicator with hour meter.
- 14 New EZ-Drive 4-wheel steering linkage.
- 15 Heavy-duty double bearing 10" caster wheel with grease fitting
- 16 130 gal. Stainless-steel water tank.
- 17 Water tank drain cock.

## Technical Features

Power supply	24 V Battery
Traction Wheel	Central motorized
Steering	Direct-link wheels
Brush Inclination	0° - 10°
Inclination system	24 V-DC
Traction system	24 V-DC
Weight Empty	2320 lbs. (1052 kg)
Weight Loaded	3320 lbs. (1506 kg)
STD Wash height	13' 7" * (415 cm)
STD Overall height	14' 1" * (426 cm)
Base size	4'4" x 6' (132 cm x 180 cm)
Brush diameter	5'3" (160 cm)
Water tank capacity	132 gallons (500 L)
Brush Rotation	100 RPM
Washing/travel speed	0 - 112 ft/min
Brush Standard	Polyethylene feathered UV resistant fibers

\* Custom heights available at no charge
