

2022 ABQ Shop Hop Quilt Top

Fabric Requirements

Purchase a block kit at each shop on the 2022 ABQ Shop Hop

FABRIC A

Choose your favorite color for all the small black squares shown
Purchase 1/4 yards

FABRIC B

Choose White or Black as the white flying geese triangles and white sashing rectangles shown.
Purchase 1.5 yards

FABRIC C

Choose the opposite as the small gray blocks and the flying geese black triangles shown.
Purchase 1 yard

Fabrics include a little extra - just in case!

At the cutting table

FABRIC A - Cut two strips 2 inches wide

FABRIC B

Cut four 5.5 inch strips and cross cut into twenty six 5.5 inch squares

Cut 3.5 inch strips and cross cut into twenty four 12.5 inch by 3.5 inch rectangles

FABRIC C

Cust two 2 inch strips

Cut eights strips of 3 inches and cross cut into 104 squares of 3 inches.

Assembly

Using No Waste Flying Geese Method - (Instructions provided in several shop blocks)

assemble 104 flying geese using FABRIC B twenty six 5.5 inch squares and FABRIC C 104 - 3 inch squares
Trim to 2.5 inches by 4.5 inches after sewing

Flying Geese Border

Make two rows using 24 flying geese - each should measure 4.5 by 48.5 inches

Make two rows using 28 flying geese - each should measure 4.5 by 56.5 inches

Four Patches

Using FABRIC A and FABRIC C - stitch together one 2" strip of each color lengthwise. Repeat with second set. Cross cut to 2 inch wide. Rotate one to make a checker pattern and stitch together to form a 3.5 inch square. Make 16.

Four Patch Rows

Make 4 rows using FABRIC B and newly made four patches.

Stitch one four patch to one 12.5x3.5 inch rectangle, Then add a four patch, Add a rectangle, Then add a four patch, rectangle and the last four patch. The quilt top needs four of these rows.

Quilt Block Rows

Using the remaining 12.5x3.5 rectangles. Assemble rows three rows.

Stitch one FABRIC B rectangle to the left and right side of Block 1, Then add Block 2 to the right side rectangle. Add a FABRIC B rectangle to the right side of Block 2, then add Block 3. Add a FABRIC B rectangle to the right side of Block 3 to complete this row. Repeat with all additional blocks until there are 3 quilt block rows.

Stitching the Top

Stitch Four Patch Rows to Quilt Block Rows. Then add Flying Geese Borders. Add one 48.5 inch to the top and one to the bottom rotating the direction 180 degrees. Add the final two rows of flying geese rotating the direction so that the geese look like they are flying around the quilt.

Purchase 1.75 to 2 yards of 108" wide back or 3.5 to 4 yards of regular width quilting fabric and Quilt as desired!
