Re: Cease and desist defamatory and harassing conduct regarding Dana Martin.

Dear Mr. Flunker:

This firm represents Dana Martin. Please direct all future communications regarding this matter to our attention and do not under any circumstances directly contact our client or any representative/employer of our client.

It has come to our attention that you have uploaded a video to YouTube and other social media websites with commentary publicly alleging that Ms. Martin committed fraud. This letter is a **formal notice of defamation and a demand**, under Texas Civil Practice & Remedies Code § 73.055, that you **delete and/or retract** specific untrue statements you made on YouTube, Instagram, and any other social media platforms regarding Ms. Martin.

The specific video posted to Youtube is entitled “Burnet County Det. Enforces House Rules Violating Texas Law & Sheriff’s Office Policy @88R” and was posted on October 11, 2022. This post further links to the website <https://integritynow1.net/sapa-minutes-martin-fraud>, which contains additional defamatory statements. The purpose of these posts and website is clear – to injure Ms. Martin’s reputation, expose her to public hatred, contempt, or ridicule, and to negatively impact Ms. Martin’s professional and private life.

These disparaging, harassing, libelous, and slanderous statements form the basis for legal action, specifically claims for defamation per se and/or per quod. **Therefore, Ms. Martin hereby demands that you immediately CEASE AND DESIST all such defamatory and tortious conduct and immediately delete and/or retract these false statements from all websites where you have posted them.** Demand is further made that you notify any website domain administrators for pages you are not in direct control of that the defamatory posts be immediately removed.

If you fail to immediately comply with this letter and delete and/or retract any written statements regarding Ms. Martin, my client has authorized us to pursue additional legal action against you, including filing a lawsuit and seeking all damages and legal remedies available to her under the law.

Ms. Martin does not wish to engage in litigation with you and would prefer to resolve this matter amicably. However, if you fail to delete and/or retract the false statements made and refuse to cease and desist all slanderous and defamatory conduct, Ms. Martin will have no option but to file suit against you to protect her name, professional reputation, and other rights.

Please contact me if you have any questions. I appreciate your immediate attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Boone Almanza", enclosed in a thin black rectangular border.
