

There will be another opportunity for anyone who missed the Pistol Instructor course at PBRSC in January this year. An NRA Pistol Instructor Course will be held at the [Black Diamond Gun Club](#) on July 11, 25, and 26. There are a few spots still available. As usual for NRA classes, full info can be found at www.nrainstructors.org. You can also call Kim for more info at 206-271-7380.
