

2025 Firearm Owner Workshop

Empowering Citizens. Defending Rights. Making Your Voice Count.

Why does it matter?

Because silence is surrender. Because our rights are only as strong as our willingness to defend them. Because the Second Amendment isn't just a line in the Constitution—it's a cornerstone of liberty.

In this pivotal moment, we'll explore

- *Why voting matters—and how your ballot shapes the future of firearm ownership*
 - *Why speaking up matters—because informed voices influence policy*
 - *Why showing up matters—because presence is power*

***Dave Workman** is a Senior editor, prolific author, and one of the most respected voices in the firearm industry. Dave brings decades of insight, analysis, and advocacy. You won't want to miss his perspective on current legislation, media narratives, and grassroots action.*
