MARCH MEETING NOTES

Due to the stay-at-home directive out of the governor's office, we cancelled both the general and board meetings and of course shut down the range. We are keeping the [website](#) and on-line [club calendar](#) up to date as we get new information. The print copy of the BullSheet calendar is as things stand as of March 30th, so please check the on line calendar for the latest information. Please visit the [website](#) to get the latest club news.

E-MAIL ADDRESSES

On March 23rd, I sent out an email to all club members informing them of the range closure and the cancellation of the upcoming general and board meetings. I received a lot of bad email address notifications. If you did not receive an email on the 23rd, please check your spam folder. If it did not show up there, then the email address we have on file for you is incorrect. If you did not receive the email, please email us [here](#) with your correct email address.

POSITION VACANCY

We have an opening for the position of assistant chief range safety officer. If you are interested in applying for the position, contact chief range safety officer Dave Farrow [here](#).

CLUB CAPS AND SHIRTS

We have a new supply of all sizes of shirts as well as sweatshirts. Both the shirts and sweatshirts are \$15. We have solid back caps as well as mesh back caps, \$12 each for either style. The proceeds on these items go to support the junior program. If you are interested, get in touch with Doug Shellenberger at 253-846-6767 or see him at the range.

RENEWAL FORM

I have added a dues [renewal form](#) to the BullSheet this month. This is a good time to renew your dues for 2021 while you sit at home and dream of going to the range. It will also give Ben something to do!

Tyler Baginski, John-David Beaunau, Dave Bennatts, David Brent, Weston Bongiovanni, Michael Canty, Shannon Canty, David Ford, Rachel Foster, Jason Fuchs, Shane Gallion, Bryan Gee, Joseph Harrison, Christopher King, Marigrace King, Ryan Knight, Christopher Laginess, Jacob Massey, Joshua Mattos, Leslie Morales, Darrell Moyer, Lawrence Noble, Charles Olson, Darren Phinney, Marilyn Phinney, Donald Scott, Jeffrey Standley, Christopher Staffeld, Chuck Southard, Trish Southard, Douglas Virginia and Karey Wise were all voted into the club by the board. Club membership now stands at 1310 members.

USED BRASS FOR SALE

Darrell Behounek has lots of used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Darrell a call at 253-212-9976.

JUNIORS

Doug Shellenberger

Since the scheduled NRA Junior 3-position indoor airgun sectional match was held after the closures of the area schools, we had only 6 shooters show up to compete. The scores can be found on the [Orion website](#).

PISTOL SILHOUETTE

March 7, 2020

Bret Stuntebeck

We put 17 entries across the line this month. Temperatures were hovering around 35 degrees when I arrived at the range. It warmed up to about 45 by the end of the match. The forecast was for overcast skies with chances of rain showers. It started sprinkling around noon and did that off and on throughout the match.

We had one new shooter this month. Ron Craig brought a fellow retiree, Greg Minevich to come shoot with us. Hopefully he will become a regular and join IHMSA. On to the results of the match.

One 40 shot this month. I posted an U-Int, 40 followed Jim Harris with a U-Int, 38 and Steve Bishop with an U-AAA, 31. Jim also posted a P-Int, 37 followed by Joe Stumpf with a P-AA, 20. In Revolver I eked out a R-Int 32 after finding out my front sight was loose from the last time I had shot it and tightening it back up. I was wondering why the last several times I had shot it my sight settings have been inconsistent and all over the place. Note to self, check your equipment periodically. In UASHS Steve Bishop with a UASHS-AA, 34. In Field Pistol Joe Stumpf posted a PAS-AA, 7 and a P-A, 6. In Smallbore Ron Craig posted an US-A, 25 giving him a leg into AA. I managed a S-AAA, 20

Our target setter did a fantastic job again this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

LADIES SHOOTING LEAGUE HAPPENINGS

Jackie Russo

Both Girlz Night Out – Wednesday, March 04 – and T-Time, Sunday March 15 were well attended during some chilly weather! The propane heaters warmed the pistol bays keeping these lady shooters toasty warm as they warmed up their pistols!

Girlz Night Out was our last Balloon Race for the quarter. We had 18 attendees who raced to eliminate their 6 balloons on their target stand. In the end – Jacquelyn Hallinan, Marcie Bartlett and Carrier Parker emerged victorious! Wednesday night was also our night to award the first and second place winners of our Pew-Pew Challenge. Carrie Parker came in first with over 15k rounds fired in 2019 and Jacquelyn Hallinan second with over 12k rounds. Both were awarded a fun gift to acknowledge their accomplishments.

There's still plenty of time to record your Pew-Pews for 2020. 1200 Pew-Pews (aka bullets) is all you need to set free by practicing or competing. Get your Pew-Pew sheets available on our Facebook in the FILES section – or – when you come to our event or keep track on your own. A fun morale patch will be given to those who free 1200 or more pew-pews in 2020. Sunday's T-Time featured a FAST training target (Fundamentals – Accuracy- Speed – Test) with an image of a box of tissues and a virus as targets. We had a half-dozen shooters show for the event and took care of business!

Paul Bunyan's Ladies Shooting League welcomes all gals who are interested in socializing, pistol practice and a bit of fun. Checkout Paul Bunyan's website under the MORE tab: <https://pbrsc.org/ladies-league>. And if you're not on Facebook, please RSVP me via email so we can have enough targets @ derpydogceramics@earthlink.net. We meet the First Wednesday and third Sunday of each month (when the range returns to normal operation).

Winners of the balloon race. Left to Right:
Jacquelyn Hallinan - 2nd Place
Marcie Bartlett - First Place (and reigning champion!)
Carrie Parker - 3rd Place
