## **JUNE MEETING NOTES**

We will soon be replacing the range rules signage on all ranges. The new signs will reflect the updated rules adopted at the BOD meeting in April. The complete updated rules can be found on our website under the range rules tab.

The ladies league events for July 3<sup>rd</sup> and 21<sup>st</sup> have been cancelled. The league will resume normal activities in August.

Marty Kotzke reports that we had 10 veterans show up to shoot on the last State Soldier's Home day. It was just Marty and Darrell Behounek supervising the activity, so they had their hands full. If you have a couple of hours to spare and would like to help out, the next scheduled shoot will be Tuesday July 16<sup>th</sup>.

The caretakers found the timbers in front of the 50-yard pistol berm are getting shot up pretty badly. We will soon front them with railroad ties or something similar.

A motion was made and passed at the board meeting to increase the annual hunter sight-in fees from \$6 per rifle to \$10, including tax, per rifle. We have found that most of the ranges in the area are charging \$10 and up to \$20 for their event. The hunter sight-in program starts in early September and runs thru mid-October and is a big money maker for our club, one of the things that are done by club volunteers to help keep our annual dues low. If you a few hours to spare, we could sure use your help. Volunteers are asked to help the hunter's sight-in their rifles, change and patch targets, place and retrieve the target holders, and a few miscellaneous duties. There is no strenuous or difficult work involved and you get to spend a few hours at the range. How bad can that be?? If you are interested or have questions, contact Mark Voigt.

## **MEMBERSHIP RENEWAL TIME**

Yep, it's that time of year again. Membership renewals are due by August 31<sup>st</sup>. To renew your club membership, use the renewal form in the printed BullSheet or get the form online [here](#).

**No other reminders will be sent out.**

If you have any questions about membership, please contact Ben LoCicero at 253-848-2204.

## **JUNIORS**

Doug Shellenberger

The Tuesday night turnout the past couple of months has been kind of sparse. If you know of any junior who would like to give smallbore rifle shooting a try, send them out on a Tuesday night. This is the perfect time of year for them to be on the rifle range in the evening and a great way for them to learn marksmanship. The club has rifles and all of the necessary gear to loan, so the only expense is the ammo, which we have available at a reduced price.

We are going to try to expand our air gun activities and make better use of the air gun range we have upstairs. We have been approached by the folks at Capital City asking us if we would like to host a couple of matches that they have always held at their range. They shoot in what is really a barn type building, so it is very cold and drafty in the winter. Secondly, we are thinking of bidding on a couple of sectional matches held in February and March. These matches are usually held at West Seattle, but we have a better facility and are more centrally located for the shooters. These matches are 60 shot standing (precision class) and a 60 shot 3 position match (sporter class).

## CBA BENCHREST RIFLE MATCH RESULTS

John Schauf  
June 27, 2019

Here are today's results. We had an excellent turn out today (11 shooters) and I thank you for that. The weather was moderate but a little windy. I take the blame for that as I think my making all those excuses for my bad shooting was to blame for most of the windy conditions. Today's match winner was once again Ron Yatso. Congratulations Ron. Our next match will be Thursday July 25<sup>th</sup>.

## CARETAKERS REPORT

Doug Shellenberger

The light timer on the rifle range has quit working. We have an electrician working on replacing it.

We will soon have a tree faller remove 3 dying trees on the east side of the rifle range at about 30 yards from the firing line. We are hoping to have this done while the range is shut down for range maintenance.

We will soon be replacing the "gong" tires at 200 yards. Thru the years, the tires have absorbed thousands of bullets and are now in need of replacement.

## USED BRASS FOR SALE

Larry Wilson has lots of used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Larry a call after noon at 253-347-3225.

## CODY LOVELACE

Last month, long time club member Cody Lovelace was presented with a lifetime membership award and plaque for his many years of dedicated service to the club. Cody started coming to the club with his father, David, when he was very young. David was very active in the club in many shooting disciplines and served on the board for several years, so Cody got exposure to all facets of how our club operates. Cody has served on the board as our Master at Arms for many years, maintains the alarm system, helps out with hunter education, the junior club and a host of other things to support the club. Our club was started in 1945 and since then has only presented 20 of these awards, so it is quite an honor. Congratulations Cody for a well-deserved award and thanks for all you do to help keep the club running.

## CLUB CAPS AND SHIRTS

We have club caps and shirts for sale. We have solid back caps as well as the mesh back caps, \$12 each for either style. We also have shirts in stock in all sizes. The shirts are \$15. The proceeds on these items go to support the junior program. If you are interested, get in touch with Doug Shellenberger at 253-846-6767 or see him at the range.

# ACTION SHOOTING INTERNATIONAL (ASI)

Jackie Russo

On the 28<sup>th</sup>, we will be hosting the first [ASI](#) match for our club. ASI is an informal type of competition geared to the average gun owner, teaching gun skills in a fun atmosphere with the handguns they typically already own. It is a move and shoot type sport but no holster is required. All starts are from low-ready or table. (if you want to draw, you may do so with RSO permission). Firearms are transported from stage to stage in a gun case, range bag, or in a holster. Most matches have 5 to 7 stages. Round count is about 100, but bring more in case of a re-shoot. We accept handgun calibers .22 rimfire and larger. Bring two magazines or speed loaders as most stages have a reload required. Typically, matches last 2 to 4 hours depending on the number of participants. We have a regular squad of women who welcome new gals to ASI, and those with mobility issues may shoot standing without a penalty.

Early pre-registration and squadding is available at [Practicescore](#) for the match. New shooters will be allocated to squads on the day of the match so they will be teamed with experienced ASI members.

Match fee is \$20. New shooter orientation is at 9:15am and is required for new ASI shooters. Registration opens at 9am and closes at 9:45am. Shooter's briefing is at 10am. ASI membership is required after your 2<sup>nd</sup> match. (Yes – we keep count!). At this time, we have matches scheduled for July 28<sup>th</sup>, August 25<sup>th</sup>, October 5<sup>th</sup> and December 7<sup>th</sup>.

Visit the ASI website [here](#) or message board at [www.asi.boards.net](http://www.asi.boards.net) for more info.

The club would like to welcome 19 new members to the club this month. Eugene Buckmeier, Jeffery Chandler, Brandon Hale, Jonathan Hennessey, Aaron Jones, Timmothy Long, Theadore (Ted) McCants, Brent McKinnon, Ed Ney, Jamie Oles, Gregory Rippel, John Shofner, Terrance Shorter, Richard Smith, Christopher Tschop, Lucas Tolman, Joe West,

John Wilson and David Wire were voted into the club at the general meeting. This brings the total membership to 1335 members.

## 22LR RIFLE MATCH RESULTS

Mitch Migliaccio

June 23, 2019

Another Club .22lr match put to bed, this time on the German Target. Small turnout, but a dedicated group. For those of you off on other things like weddings, buying Wyoming property, or sleeping in, y'all missed all the fun of shooting in a pretty stiff wind at 200. It calmed down for the 100 yd strings, but a couple of us didn't notice that. Upside was we were done before it decided to start drizzling. Kevin (Harry) Kellogg set the top score to beat on this one.

Our last long range .22 PBC Fun match for the year will be on the CBA target Oct 20. We may try to fit in a couple unscheduled 200 yd .22 matches if there's enough interest. I'll send out warnings if we do. If you would like to be included on the list, send me an email.

SHOOTER	Class	100yd Agg	200yd Agg	Grand Agg
Mitch Migliaccio	target	471-5X	468-4X	939-9X
Steve Conner	target	488-10X	467-3X	955-13X
Keith Wilson	target	483-9X	464-3X	947-12X
Kevin Kellog	target	492-19X	476-7X	968-26X
Ron Schultz	sporter	448-1X	418-1X	866-2X

## SILHOUETTE MATCHES

On the first Saturday of the month, our range holds a silhouette shoot on the rifle range. The match consists of shooting steel plates, cutout to look like chickens, pigs, turkeys and rams, at ranges from 25 yards up to 200 meters. There is a category for almost any gun someone might have, from an open sight 22 handguns all the way to a scoped single shot hand cannons.

The cost of the match is \$7 (\$8 for big bore), and all shooters donate a few dollars to pay the target setters. The shooters have 2 minutes to shoot 5 silhouettes left to right. Any of the plates knocked over count as a hit. Those missed, shot out of turn, or hit and not knocked over count as a miss.

This is a fun, relaxed match. If you have any questions about the silhouette matches, give Bret a call at 253-905-5134 or email him at [bstuntebeck@comcast.net](mailto:bstuntebeck@comcast.net).
