JUNE MEETING NOTES

Once again, the general meeting was cancelled due to the COVID-19 restrictions. We did hold a board of directors meeting in our airgun range. At this point, we are unsure when we will be able to hold the next general meeting.

The Monday evening smallbore league, which runs thru the end of August, is finally underway. We had 15 shooters show up for the last match. If you would like to try your hand shooting with the league, get in touch with Bob Wendt.

Bob will also host the regional high-power championship matches at our range July 3rd-5th. Since the matches are shot at 600 yards, the range will be closed to regular membership use during those days.

Our club is going to purchase three non-contact infrared thermometers so we can test all participants in the matches and other activities we hold at the club. We should have them in hand next week.

The club will be covering part of the travel expenses to send four of last year's local YHEC winners to Bentonville, Arkansas July 19-25 to compete in the central regional championships.

CARETAKER'S REPORT

Doug Shellenberger

The grass has been growing like crazy, and even though we have the range shutdown until 4pm on Thursdays, we are still behind in getting it all cut down. We hope to get caught up this coming Thursday. While we have the range closed for maintenance, the silhouette shooters have been busy working on the rifle range. They have been cutting the weeds down on the berms and have repaired a few of the berms in the process. New timbers have also been added to the west side of the 100-yard berm.

Return to Competition!

Yes- we are planning to have an ASI Match on Sunday - aka Gunday - on July 26th - following Saturday's IDPA match.

CAVEAT: Due to coronavirus and social distancing necessities we will limiting the number of shooters and squads. The final number of participants will be decided by the Board of Directors for Matches.

Best case scenario (Phase 3) - if we are allowed to have a total of 50; worst case would be 30. Squad numbers will also be restricted by the number of ROs who sign up.

ASI members will have priority for registering – e.g. no walk-ons or new shooters will be able to participate for this match. Non-members will be Waitlisted until further notice.

Pre-registration is required under ASI at Paul Bunyan for July & ASI at Paul Bunyan for July Staff (for ROs only). PracticeScore will be updated as I get updated information.

Doug Shellenberger

We started back with our Tuesday evening practice sessions for the juniors. We have had a sparce turnout but feel it will improve as we transition to another phase in the COVID restrictions.

We have a new supply of all sizes of shirts as well as sweatshirts. The shirts are \$15 and sweatshirts are \$20. We have solid back caps as well as mesh back caps, \$12 each for either style. The proceeds on these items go to support the junior program. If you are interested, get in touch with Doug Shellenberger at 253-846-6767 or see him at the range.

LADIES SHOOTING LEAGUE HAPPENINGS

Jackie Russo

As we continue to socially distance ourselves during our range closure time – the LSL enjoyed another Zoom Event with a Show and Tell of favorite holsters! All were concealed carry variety – no game day holsters. Pros and cons were discussed about comfort, accessibility and style. More importantly, we enjoyed catching up with what we've been doing since we last met on-line.

Other happenings: The pistol bays where we normally meet are still subjected to Social Distancing. Because of the limited nature of the structure and the number of participants for each event, we chose to cancel our July meets. We are planning on returning on August 5th (For Girlz Night Out) at 6 pm and August 16th (For T(rigger)-Time) at 11 am. Please check the Paul Bunyan calendar prior to those dates to confirm. As always, we welcome gals from all level of shooting skills; the only requirement is safe handling of firearms. You do not need to be a member of Paul Bunyan to shoot. If you have questions – checkout the Ladies League tab under MORE or send us an email located at the bottom of the page.

Special Recognition: Many of our members are active in competition – whether it's Action Shooting International, Steel or International Defensive Pistol Association. Their participation promotes and encourages other women to try out a shooting sport. To that end I'd like to brag that Washington State's IDPA Championship – being hosted by Firearms Academy of Seattle in August -has 27 women registered for its match! A phenomenal increase over last year's match and more than shot at IDPA's World Championship last year! Congratulations Ladies on growing the sport!

USED BRASS FOR SALE

Darrell Behounek has lots of used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Darrell a call at 253-212-9976.

MEMBERSHIP

The club would like to welcome the 24 new members for June. Cameron Birk, Christie Cruzan, Brandon Goudy, Charles Graham, Jacob Griswold, Rand Harris, Luis Henriquez, Joshua Hethcock, Brian Hoover, Jesse Hutchings, Kyle Jaramillo, Ronn Lauer, Jeremy Laupfer, Guy Mayes, Josh Nobles, Jennifer Nobles, Kyle Phelps, Joshua Quimby, Lawrence Richmond, Randall Ruckman, Ahmed Salaam, Dane Schadel, David Starowski and Colton Titus were voted into the club at the board of director's meeting. Due to the COVID restrictions that prevent us from holding general membership meetings, the board voted to suspend the club by-laws regarding the voting in of prospective members. Club membership now stands at 1366 members.

For the next few months, we will be on a reservation system for folks wanting to join the club. Details can be found on our website [here](#).
