May 2020

Paul Bunyan Rifle and Sportsman's Club

Puyallup, WA

APRIL MEETING NOTES

Due to the stay-at-home directive out of the governor's office, we cancelled the April general meeting. A virtual board of director's meeting was held on the 24th. We are keeping the [website](#) and on-line [club calendar](#) up to date as we get new information regarding club operations. The print copy of the BullSheet calendar is as things stand as of April 26th, so please check the on line calendar for the latest information and visit the [website](#) to get the latest club news.

As expected, since the entire range is closed, the scheduled hunter education classes and the orientation meeting for May have been cancelled. Until we get more information from the Governor's office, we don't know if the May general meeting will be held.

We are looking into having the front gate opening system replaced. We continue to have issues with the current opener, necessitating frequent calls for service. We should have more information on the replacement soon.

E-MAIL ADDRESSES

On March 23rd, I sent out an email to all club members informing them of the range closure and the cancellation of the upcoming general and board meetings. I received a lot of bad email address notifications. If you did not receive an email on the 23rd, please check your spam folder. If it did not show up there, then the email address we have on file for you is incorrect. If you did not receive the email, please email us [here](#) with your correct email address.

MEMBERSHIP

The orientation meeting for April was cancelled. We have also cancelled the upcoming orientation meeting for May.

POSITION VACANCY

We have an opening for the position of assistant chief range safety officer. If you are interested in applying for the position, contact chief range safety officer Dave Farrow [here](#).

CLUB CAPS AND SHIRTS

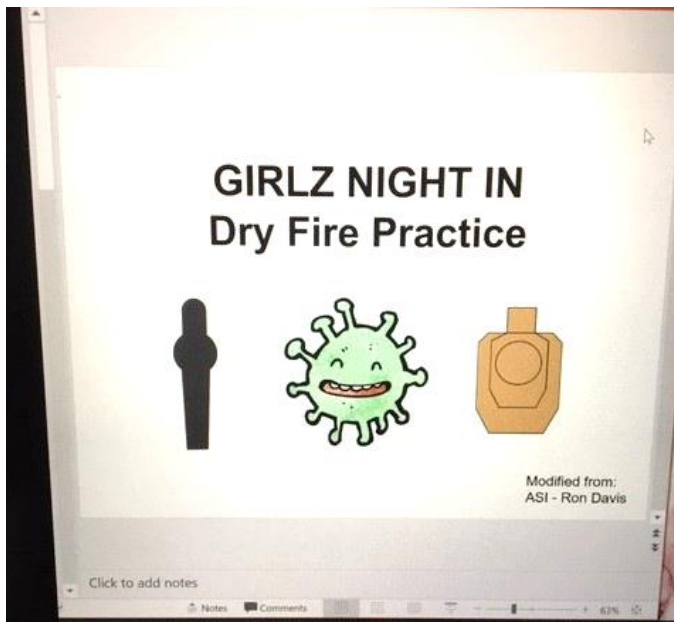

We have a new supply of all sizes of shirts as well as sweatshirts. Both the shirts and sweatshirts are \$15. We have solid back caps as well as mesh back caps, \$12 each for either style. The proceeds on these items go to support the junior program. If you are interested, get in touch with Doug Shellenberger at 253-846-6767 or see him at the range.

LADIES SHOOTING LEAGUE HAPPENINGS

Jackie Russo

What with our range closed for live fire training, the Ladies Shooting League members soldiered on with the assistance of technology. Thanks to Zoom – we were able to meet both for Girlz Night Out (GNO) and for T-Time. At GNO we had a dry fire challenge where we engaged a Corvid19 related PPT presentation – complete with moving virus targets and medical professionals as 'non-threats'. For T-Time we spent time performing gun maintenance on our pistols. Not only were we getting some practical efforts in – but we were able to socialize and catch –up.

We are hoping we can once again meet at the range for both of our scheduled events: May 6th at 6 pm and May 17th for T-Time at 11 am at the pistol ranges. Check the Paul Bunyan website for updates on schedules.

USED BRASS FOR SALE

Darrell Behounek has lots of used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Darrell a call at 253-212-9976.

ACTION SHOOTING INTERNATIONAL (ASI) UPDATE

Jackie Russo

Unfortunately, current COVID 19 events forced us to cancel our April 4th, ASI match. This was the same match where we were going to draw the names of two winners of the Poly80 firearms. Poly80's firearm donation was the final culmination for our fundraising efforts for the family of PCSO Deputy Cooper Dyson. The Russos held the drawing from the safe confines

of their garage. The two tickets were drawn and the winners notified. The drawing was videoed and can be found on the Paul Bunyan IDPA Facebook page.

We'd like to recognize the following for their contributions: Poly80, Action Shooting International, K Rounds for contributing two holsters, Rainier Arms for handling the FFL transfers and Brian Buller for bringing all of these entities together.

This fundraiser earned an additional \$1000 for the Deputy Dyson's Legacy Fund. Our earlier February fundraiser raised over \$1400, bringing in a total of \$2440 for his family.

A big THANK YOU goes to Paul Bunyan, Renton Fish & Game and Firearms Academy of Seattle which hosted our fundraising events! And the biggest THANK YOU is for you – our firearms family – who generously donated.

The next ASI match is scheduled for July 26th (Sunday)- IDPA is scheduled for July 25th (Saturday). What a great opportunity to blow the dust off and get back on the range!

WHICH ARE YOU???

Thanks to member Don Tolman for the comic
