Paul Bunyan Rifle and Sportsman's Club

Puyallup, WA

APRIL MEETING NOTES

Once again, the general meeting was cancelled due to the COVID-19 restrictions. We did hold a combination on-site/virtual board of directors meeting. We will put an announcement in the BullSheet when we can resume our general meetings.

May is a very busy month for the range. We have a CMP rifle match on the 15th that will close all ranges while they shoot. Then, starting on the 27th and running thru the 31st, all ranges will be closed while the muzzleloaders hold their annual rendezvous. If you haven't had a chance to attend one of these rendezvous, it is worth coming to the range while it is going on. Lots of fun events happening, and lots of activities for the kids.

Due to the rendezvous and the women's primitive skills events this month, the May board meeting will be held Friday the 14th at 7PM.

A few months back, Doug Shellenberger purchased some new spotting scopes for the juniors. The scopes came with six bench top type tri-pods, which the juniors do not use. Doug is going to give them away to club members who can use them. If you would like to have one, get in touch with Doug.

CLUB CAPS AND SHIRTS

We have club tee shirts and sweatshirts for sale. The shirts are \$15 and sweatshirts are \$20. We have solid back caps as well as mesh back caps, \$12 each for either style. The proceeds on these items go to support the junior program. If you are interested, get in touch with Doug Shellenberger at 253-846-6767 or see him at the range.

RANGE GUEST POLICY

It has always been a standing club rule that a member may occasionally have a limited number of guests with him at the range and the member is responsible for the supervision of those guests. During the past two board meetings, we have been discussing the number of guests a member is allowed to bring to the range per visit. This issue has come up often through the years and the board felt the time was long overdue to clarify and update our guest policy. Going forward, members are limited to bringing no more than two guests to the range per visit. If a member wants to bring in more than two guests, arrangements must be made through the Chief Range Safety Officer or the board of directors.

Guests are the responsibility of the member and must be supervised by the member at all times while at the range. Proper supervision may preclude the member from shooting.

It was also noted that some members are abusing the "occasionally" portion of this standing rule. If you have the same guest more than a few times a year, then he/she should become a member.

MEMBERSHIP

We would like to welcome the 20 new members for May. Justin O'Dell, John Weber, Randy Conway, Wesley Randall, Teresa Castle, Megan Castle, Edward Ortmann, Chandler Randall, Tyler Buehler, Todd Hamilton, Harrison Barbour, Justin Butler, Charles Olson, Paul Nelson, Kathy Baltazar, Ronald Baltazar, Mark Dozier, Spencer Ford, Kyle Bruny, and Dan Gindlesperger all joined the club this month. The prospective members were voted into the club at the board meeting. Club membership now stands 1360 paid members for 2021.

LADIES SHOOTING LEAGUE

Jackie Russo

The Ides of March wrapped up with a group of our gals heading out to Texas and to the Snoqualmie Valley for two challenging matches. Vickie, Vanessa and Emily travelled to Snoqualmie Valley Range for a 2-gun Challenge match on the final Saturday of March. Both Vickie and Vanessa ran their AR-15 Springfield Saint Edge and Emily relied on her Daniel Defense DDM4V7 for competition.

Meanwhile, Jackie, Jacquelyn, Carrie and Nancy hopped a plane and flew to Dallas and competed in the *2021 Texas Femme Fatale IDPA Championship!* We, of course, brought the infamous PNW “cool and misty gray weather” for the first half of the match (You are welcome, Lone Star State).

The Match, boasted 10 bays of challenging IDPA stages, with captivating titles of “Karen”, “I’m Too Sexy”, and “Diamonds Aren’t A Girls Best Friend”. When the dust settled, our ladies were triumphant! Not just with winning divisions, but with growing in confidence and capability in their marksmanship and competition skills. Jackie, 1st Place Compact Carry Pistol, SS and Division Winner, Carrie, 1st Place Revolver, Marksman and Division Winner.

There is a list of members that compete in other shooting sports at other ranges – these are outside of our normal meets; if there’s an interest to be a part please let me know and I will be happy to coordinate a mentor to help guide the way. The mainstay of the League is our Girlz Night Out and T-Time Events.

Hurray for Daylight Savings Time for Girlz Night Out event! The longer days equated to better clarity at further distance for marksmanship and fun training targets.

We invite all ladies to attend our Events. Bring your safe gun handling skills, a firearm and a box of ammo and join in on the fun. For more information go to the Paul Bunyan website and click on Ladies Shooting League.

No T-Time Sunday on the 18th. Our next event will be May 5th at Girlz Night Out.

ACTION SHOOTING INTERNATIONAL (ASI)

Jackie Russo

We couldn’t have ordered better weather for the first Spring ASI match of 2021. Nearly 50 competitors, including 6 new shooters, signed up for 6 ASI stages, including 1 Bonus stage! The match featured a low ammo round count (63), and not only members from the Ladies Shooting League, but USPSA and IDPA competitors.

ASI is shooting sport that focuses on those who are advancing to move and shooting actions; but also offers more experienced shooters opportunities to ‘run’ their game in a less competitive environment. Who doesn’t welcome the opportunity to get in an extra match prior to an upcoming Championship?

With a low round count and acceptance of .22s, ASI is a responsive alternative to other disciplines requiring specialized guns or equipment. Just bring your gun in a case, a reloading device, 2 boxes of ammo and ear & eye protection and enjoy this sport.

Pre-registration is appreciated on Practice Score (<https://practicescore.com>) under ASI at Paul Bunyan. If you are a new shooter – please register NSO in the ASI member # space – so we know to expect you. New Shooter Orientation is at 9 am in Bay 1. Range fee is \$20 – cash or check only.

Our next match is on Sunday May 23rd, at 0945 (Stat Shack closes). No Match in June due to Washington State’s IDPA Championship.

2021 WASHINGTON STATE IDPA CHAMPIONSHIP

Jackie Russo

It's coming to a range near you! June 25 – 26th is the return of this seminal IDPA Match to our range. Titled “Paul Bunyan’s The Great Outdoors” this match will feature 12 stages and up to 200 shooters. We still have slots available on Practice Score (<https://practicescore.com>). Match fee is \$150 – and there are still two-day or one-day slots available.

Our sponsors Poly80 and Zero Sports have graciously made donations. So far 8 guns will be on the prize table – plus an awesome gun safe from *Northwest Safes!* There are many other fabulous items, too

There's still time to get classified for the match. As long as you are an IDPA member in good standing – you are eligible to shoot the 5X5 classifier. Opportunities exists after April's IDPA match on April 24th or ASI's May 23rd Match. Just let Birney Oxford, Brian Buller or myself know.

CARETAKER'S REPORT

Doug Shellenberger

We have repaired the target light on the pistol range. Club member Dennis Wilcox replaced a defective capacitor, fixing the issue at no cost to the club.

We still have lots of firewood for sale. This is from trees that came down over the past winter. We are asking \$50 for a pick-up truck load. The wood is still in log form, so you will have to bring your saw and plenty of energy. If you would like to buy a truck load, get in touch with me.

CBA BENCHREST RIFLE MATCH RESULTS

April 22, 2021

We had 11 shooters brave the cold wind this morning to shoot in our first group match of the season. Who would have thought we would be standing by the warmth of the wood stove at this time of year? We had some very good targets and some that we would like to forget, but we all had a good time. Our next match will be Thursday May 20th.

SPRING RIFLE FUN LEAGUE

Dennis Wilcox

PBRSC will host a two-gun fun rifle league (.22 LR-Rimfire and Centerfire) beginning Wednesday May 5 through June 23; 8 weeks to fire 6 scores. We will fire .22 the first week and then alternate between centerfire and .22 for the remaining weeks. Up to 4 scores may be fired with each gun, with the top three for each used for aggregate score. .22 LR will be fired at 100 yards and centerfire at 200 yards from both the bench and standing positions. Relays will be at 3, 4 & 5 pm, and we can add a relay at 6 pm if there is enough interest in doing so. We will be shooting on the east side of the rifle range with the west side open to member use. This is open to all shooters. PBRSC membership is not required but is encouraged. The League fee will be \$20. Advanced reservations are appreciated. For more info email Dennis Wilcox at: spindleblaster@msn.com. Click [here](#) or visit the shooting disciplines tab on our [website](#) for the match bulletin.

PISTOL SILHOUETTE

Bret Stuntebeck
April 3, 2021

We put 18 entries across the line this month. It was cool this month when I got to the range with the temp running around 42 degrees, but it warmed up into the high 50's by the end of the day. On to the results of the match.

No 40's shot this month.

In Unlimited Jim Harris took top honors with a U-Int, 38 followed by Steve Parsons with a U-Int, 37. Steve Bishop posted a U-AAA, 34. In Production I posted a P-Int, 38 followed by Kyle Bishop with a P-AA, 31.

In Revolver Steve Parsons Posted a R-AAA, 37 followed by Steve Bishop with a R-AAA, 28 and Joe Stumpf with a R-AA, 21.

In UAS-Int, Jim Harris posted a UAS-Int, 39 shooting open sights and cast bullets followed by Ron Craig posting a UAS-Int, 31. Kyle Bishop posted a UAS-AAA, 35.

In Half Scale Joe Stumpf posted UASHS-AAA, 25. In Smallbore Steve Parsons posted a R-AAA, 25. In Field Pistol Ron Craig posted a PAS-A, 27 giving him a leg into AA.

Our target setters did a fantastic job again this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time, shoot straight and be safe.

USED BRASS FOR SALE

Darrell Behounek has used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Darrell a call at 253-212-9976.

POSITION VACANCIES

We still have several openings for range safety officers. These are volunteer positions for weekday coverage as well as some for paid weekend coverage positions. If you are interested in helping out, contact Chief Range Safety Officer Dave Farrow [here](#).

JUNIORS

Al Richardson

We held our annual Phyllis Cline smallbore rifle match on April 24th. There are two matches held for this event, a 3-position 60 shot match and a prone only 60 shot match. Eighteen shooters showed up to compete on a cold rainy morning. In the three-position match, Phoebe Chandler came in on top with a 561-15x, followed by Madisen Smith (554-16x) and Adie Chartrey (534-13x). The complete 3 position match results can be found on the Orion website [here](#). In the prone only portion of the match, Phoebe Chandler once again came out on top with a 585-28x, followed by Adie Chartrey (575-25X) and Madisen Smith (565-15x). Complete results can be found [here](#).

We had a few of our club's newer shooters compete in the match. Tayler Lowe, Olivia Harvey, Blake Knoop and Jackson Betts all came out to give the competition a try. For a few, it was their first time shooting in a match.

Phoebe and Adie will be part of a team from the Capitol City Rifle Range in Little Rock who will be competing in the National Rifle Junior Olympic Championships held in Hillsdale, MI May 12-16.

We had a real nice turn out to shoot the match today. Frost-bitten fingers, gale force winds, flying targets and stands that wouldn't stay upright didn't seem to dampen our spirits. Our next match will be Saturday May 8th at 9am. Let's hope for a warmer and calmer day for the match.

A SPRING MUZZLELOADER SHOOT

Mike Moran

With Easter just behind us and warm sunny days becoming the norm, it was time to break out the bunny targets and Peeps for the April Muzzleloader shoot on April 25th. Each shooter picked up two paper targets, a bunny for 5 shots and a Fleur-de-Lac bullseye target for 10 shots, both at 25 yards. There were three shots at the hanging Peeps at 15 yards and two shots at the bunny steel gong at 35 yards, with each hit counting for 10 points.

We had 15 shooters on this fine day who got right to work punching holes in the paper targets. Peeps seem like a delicate candy but can actually take quite a few hits before they finally disintegrate. Being springtime, the rabbits are losing their winter white coats and this one, left unpainted, blended in nicely with the berm behind it. Luckily, it moved quite a bit when hit.

Everything went well except for a few. Chip Kormas was using a different rifle than he normally shoots, and only had 6 round balls with him, so he got creative with folding and layering his targets. Mike Moran managed to dry-ball, which happens to everyone occasionally, except he did it the day before at the Trade Gun Frolic at Evergreen. Hopefully he got it out of his system.

Our next two event is the **Women's Primitive Skills** weekend 21-23 May followed by the **46th Annual Paul Bunyan Plainsmen Rendezvous**, which will be held over Memorial Day weekend in May. Hope to see you all there.

BULLSHEET ARTICLES

Al Richardson

Do you have an idea for an article you would like to write for the BullSheet? I am looking for articles what would be of interest to the general membership. Articles would be welcomed regarding shooting, reloading, match information, hunting, things happening at the range, or anything that would be of interest to our fellow club members. The articles can be accompanied by pictures if you have them. Please no personal rants (I do enough of that myself) or anything political in nature. I would be happy to assist with the article if needed. The deadline for articles submitted is the 4th Friday of the month. If you have something, call me or drop me a line [here](#) so we can discuss your ideas.
