**Puyallup, WA**

## **AUGUST MEETING NOTES**

Once again, the general meeting was cancelled due to the COVID-19 restrictions. We did hold a combination on-site/virtual board of directors meeting. The board discussed the resumption of general meetings. With the latest round of restrictions, it will most likely be a couple of months before we do so. We will put an announcement in the BullSheet and on our website when the meetings resume.

Our hunter education program will resume September 13<sup>th</sup> to the 18<sup>th</sup>. Those wanting to attend a class can register on the WDFW website [here](#). Get in touch with Marty Kotzke at 425-466-9092 if you have any questions.

We are having a lot of members come to the range who are neglecting to sign in at the range officer shack. All members must sign in, and sign in their guests, when they come to the range. The only exception is if the member is working at the range and will not be shooting.

Dave Farrow recently purchased Bluetooth Kindle compatible timers for use in the USPSA/IDPA/ASI and steels matches. We are selling the old Kindles for \$20 each and the old shot timers for \$100 each. Get in touch with Dave at 253-886-1069 for more information.

## **NOMINATIONS FOR CLUB OFFICERS**

Mike Moran

Elections for next year's club officers will be coming up in December, and we are always interested in members getting involved running the club. If you'd like to find out more about what's involved, the position descriptions are listed in the Paul Bunyan Constitution, or you can contact one of the current officers. We will call for nominations in November. Are you ready to throw your name in the hat?

## **CLUB BY-LAWS UPDATED**

The board voted to accept the revisions and updates to the club by-laws that were presented at the meeting. The by-laws can be found on our website or by clicking [here](#).

## **2021 BULLSEYE SHOOTING AND ADVANCED PISTOL MARKSMANSHIP CLINIC**

Dennis Wilcox

Paul Bunyan will host a Bullseye Shooting & Advanced Pistol Marksmanship Clinic on Saturday September 11, 2021 from 9AM to 1PM. This class will provide pistol marksmanship training beyond that which is provided in an NRA Basic Pistol Course. It will introduce pistol shooters to the course of fire and rules for NRA precision pistol "Bullseye" competition. It will also prepare participants for the fall pistol league. Classroom instruction will be followed by live-fire practice.

### **Advance registration is required.**

E-mail your request to Dennis Wilcox at ([spindleblaster@msn.com](mailto:spindleblaster@msn.com)). Please include following information: Name, phone number, shooting experience, and model & caliber of the pistol you plan to bring. This is a free training class. Class size is limited to 22 participants.

## **USED BRASS FOR SALE**

Darrell Behounek has used brass for sale. He has most handgun calibers available as well as a lot of rifle calibers. Rifle brass is ten cents each and pistol brass is six cents each. The proceeds go to help the junior program. Give Darrell a call at 253-212-9976.

## 2021 MT RAINIER PISTOL LEAGUE

Dennis Wilcox

On Thursday evenings, beginning September 16<sup>th</sup>, Paul Bunyan Rifle and Sportsman's Club will host a .22 rim-fire 10-week pistol league. There will be two relays; relay 1 begins at 5:00 pm and relay 2 begins at 6:15 pm. You may shoot ahead or make up by shooting both relays. The course of fire will be 20 shots Slow Fire, 20 shots Timed Fire and 20 shots Rapid Fire all fired at 25 yards.

This will be an NRA Approved league conducted in accordance with NRA precision pistol rules, except that "open" class shooters will be accommodated (firing using a 2-hand grip).

There will be cash awards and a prize drawing at the end of the league. The entry fee is \$25. Advanced reservations are appreciated although not required. Send an email to [spindleblaster@msn.com](mailto:spindleblaster@msn.com) if you have questions.

## CAST BULLET ASSOCIATION (CBA) MILITARY RIFLE MATCH RESULTS

Al Richardson

August 14, 2021

Here are the results from today's group match (smallest group wins). We had a small turnout but an enjoyable match. No wind to speak of for a nice change. Ron Heilman beat us all with some very nice shooting. Thanks to Mitch Migliaccio, Bill Ellingson and Bud Hyett for scoring the targets. Their help made the match much easier on the rest of us.

Our last match of the year will be Saturday October 9th.

## LADIES LEAGUE HAPPENINGS

Jackie Russo

We continue to see new faces at our events! It's inspiring to share the range with new shooters and seasoned ones. Each learn something from one another. You may find someone who has the same gun - .22 Victories? Or perhaps the very popular M&P Shield EZ? You will find a few gals practicing with their Glocks and even a revolver or two. As more ladies become handgun owners and are learning their manual of arms – our league offers several opportunities a month. Girlz Nite Out on the first Wednesday of the month and T-time at 11 am on the 3<sup>rd</sup> Sunday. A small range fee cost includes targets and some fun socializing, too.

A few gals have dipped their toe into the shooting and moving sports. Since this summer 3 members have taken the invitation to join us for Action Shooting International matches at Paul Bunyan. Rave reviews have followed. There's open invite – there's several veteran competitors who are happy to mentor newer shooters on their squad. Just let one of us know.

There's plenty of opportunities to exercise your 2A rights with our League and Action Shooting International. Check Paul Bunyan's calendar to confirm there's an event and please join us, with your firearm – a box of bullets and safe gun handling practices. Reminder – one doesn't have to be a member to join us on the range. You will find us in the covered pistol bays to the right when you enter the range. For more info – checkout our information on the Paul Bunyan website!

We look forward to seeing you in September!

## MUZZLELOADER LEAGUES

Mike Moran

The Muzzleloaders finished their Summer League shoots on August 25<sup>th</sup>. The six-match league runs the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday nights in June, July, and August. Each match is independent, allowing for different target selections. A fun time was had by all. If you are interested in checking out muzzleloading, we will start our Winter matches in October on the 4<sup>th</sup> Sunday and the season runs thru April. Get in touch with me [here](#) if you have any questions.

## ACTION SHOOTING INTERNATIONAL (ASI)

Jackie Russo

Our last match for summer was on Sunday the 22<sup>nd</sup> due to scheduling conflicts on the calendar. There were 34 shooters, including, 4 new folks welcomed to our 'Move and Shoot' Sport. We had 5 ASI Stages, 67 round count, and 1 BONUS ASI stage.

For those unfamiliar – ASI has a set library of approved stages where stages are plucked from. The library has a variety of target arrays in the collection – many accommodate larger to smaller bays. Some have seated only, others include shooting around barricades or barrels. One-handed or off-hand starts may be part of the stage. Either way – there is plenty of opportunity to practice your handgun manipulations and proficiency.

Probably one of the greatest advantages ASI offers, is for those who are just learning how to Shoot and Move, is the availability of mentorship from the trained ASI range officers and seasoned shooters in your squad. ASI is a perfect place to start on the road to competition. It is also a great venue to practice with a new handgun or to work on skills, without the pressure of competition.

Our next match will be a Specialty Match held October 2 – The Senior Classic! It's an ASI sanctioned match – and opened to all but with special recognition for shooters 50 and older there will be awards. The breakdown will be: Senior (50- 59) Super Senior (60- 69) and High Elder (70- and onward!) We will have a Ladies category, along with High Law enforcement and Veteran (Active or retired).

You don't have to be a member of ASI to enter, either, but we will have information on the advantages of membership at the Stat Shack. For more information on ASI: <https://asi-usa.org> Pre-registration is open on PracticeScore at: ASI at Paul Bunyan October Match Presents The Senior Classic. Pre-registration on-line is helpful, paper squadding and fee payment (cash or check) on day of match. Match fee is: \$20 for ASI non-members \$15 for ASI members with current card.

## CBA BENCHREST RIFLE MATCH RESULTS

John Schauf

August 26, 2021

We had a great turnout today with thirteen competitors. It was good to see all of our shooting buddies gathered in one place. I hope everyone enjoyed themselves. That appears to be the case as each had a smile on their face as they were chatting with their fellow shooters. Thanks to all that pitched in to make it an enjoyable day.

## MEMBERSHIP RENEWAL TIME

Yep, it's that time of year again. Membership renewals were due by August 31<sup>st</sup>. To renew your club membership, use the renewal form in the printed BullSheet or get the form online by clicking [here](#). Renewal forms and payments can be mailed to Ben or dropped in the locked mailbox on the south side of the club driveway. If you have any questions about membership, please contact membership secretary Ben LoCicero at 253-848-2204 or by email [here](#).

## SEEKING HUNTER EDUCATION INSTRUCTORS

Our chief hunter education instructor Marty Kotzke is seeking folks who would be interested in becoming hunter education instructors. We have openings for all skill levels. Our classes will resume in September and we are short a few instructors. If you are interested in becoming an instructor, get in touch with Marty at 425-466-9092.

## JUNIORS

Doug Shellenberger

We had three of our juniors attend a shooting camp at Tacoma Rifle and Revolver Club last weekend. This camp was put on to help the newer shooters hone their rifle skills.

Starting September 7<sup>th</sup>, the juniors will start using the pistol range for their practice sessions. This will free up the rifle range on Tuesday evenings.

The All-Army junior airgun match scheduled for October 16<sup>th</sup> has been moved back to the 23<sup>rd</sup>. On Sunday November 14<sup>th</sup> we will be hosting the CMP airgun match.

## MEMBERSHIP

We would like to welcome the 21 new members for September. John Bean, Rhonda Benedict, Jade Bloomingdale, Jacob Bryant, James Deeter, Michael Enos, James Fehr, Daniel Haechrel, Ricky Harwood, Jeremiah Jackson, Charles Killin. Calvin Kuhlman, Dean Prayner, Ryon Prewitt, Jim Randolph, Bradley Rasmussen, Kevin Taylor-Brown, Monte Thompson, Debra Thompson, Jeffrey Weibel and Michael Wheeler. Welcome to all. Club membership now stands at 1468 members.

## HUNTER SIGHT-IN WORK PARTY

Mark Voigt

We had only five club members show up for the hunter sight-in work party on the 29<sup>th</sup>. Jay Cowan, Bob Evans, Darrell Behounek, Rich Pogue and Al Richardson came out to help get us ready for hunter sight in which starts September 9<sup>th</sup>. All of the targets had already been repaired, but all of the signs needed to be hung, the large frames had to be loaded, and lots of coffee and pastries needed to be consumed. We are now as ready as we can be for the 9<sup>th</sup>.

## CARETAKER'S REPORT

Doug Shellenberger

Since the grass isn't growing as it was in the spring, we will now open the range on Thursday mornings for member use starting September

2<sup>nd</sup>. The range will still be closed from 1pm to 4pm for range maintenance.

We have recently cut down a few dying or diseased trees around the property. The result is that we now have lots of firewood for sale at \$50 for a pick-up truck load. Contact me if you are interested in buying some.

## WASHINGTON STATE CAST BULLET ASSOCIATION (CBA) CHAMPIONSHIP MATCH RESULTS

John Schauf  
July 24-25, 2021

Here are the results from the Washington State CBA Bench Rest Championship. Doug Shellenberger convincingly won the Production class while Tim Wilson took the trophy for high score and yours truly slipped in a narrow victory for plain base class. Thanks to all that attended and I am already planning for next year's tournament. Thanks go to Bud Hyett and Alice Gardner for handling the scoring and organizing the targets. That went smoothly with no issues at all. Also, thanks go to Cathy Richardson and my wife Virginia for putting on two days of great lunches. A special thanks to Carter, Stella and Stella's dad Jae for their great effort at setting targets. We really kept them running and their help made the match go much better.
