## PROFESSIONAL EXPERIENCE

### Designer

Combined Jewish Philanthropies (CJP)  
June 2022 – Current

Create visual content that supports and enhances our mission, with a strong focus on events. Work closely with the events team to concept and design promotional materials, signage, and digital assets that bring each event to life and engage our community.

Responsible for production of special holiday and initiative assets, providing consistency across emails, printed material, and web assets.

Lead the organization's annual calendar—overseeing the full creative process from concept development and design execution to incorporating feedback, securing final approvals, and prepping and delivering final assets to the printer.

### Operations Manager + Graphic Designer

Spectrum Empowerment Project  
May 2021 – June 2022

Helped trained professionals direct our autistic employees in workplace duties.

Supervised and trained employees, managed quality assurance, and implemented improvements.

Worked with customers and team members to design logos and artwork for t-shirts and event collateral.

### Graphic Design Intern

Cambridge Innovation Institute  
May 2019 – August 2019

Assisted producers and marketers in weekly team meetings with department heads.

Designed various print and online materials.

Produced branding tools and marketing collateral.
