| DEMOCRATIC | As Democrats, we believe that every person in this nation should be treated with dignity and respect. | GREEN | We understand that until significant steps are taken to reverse the ongoing abuses; to end the criminalization of the Black and Brown communities, to eradicate poverty, to invest in education, health care and the restoration and protection of human rights, that it will be impossible to repair the continuing damage wrought by the ideology of white supremacy which permeates the governing institutions of our nation. | https://www.gp.org/ |
| INDEPENDENT | America needed a party that would bring the discussion, debate, cooperation, collaboration, and the solution to disagreement, to do the business of the people.
