Dear Debe

Dear Debe

I have noticed that TRW lunches are in different locations every month. Could you explain, why that is? I have to plan in advance to get to the lunches and it would be nice to be able to plan

ahead. I often attend another club's lunch, and it is always at the same location.

Planner

Dear Planner,

We would love to be able to count on a steady place to hold our meeting every month; however, some of the restaurants cannot hold the size of our club and are unable to commit every month. If you have any ideas or would like to be involved in helping the club out with ideas about where we can meet, please let me know. Remember in November, we will open nominations for board positions and maybe you can think about running for a position that will help with venue decisions.

Thank you for your letter, always appreciated!

Debe

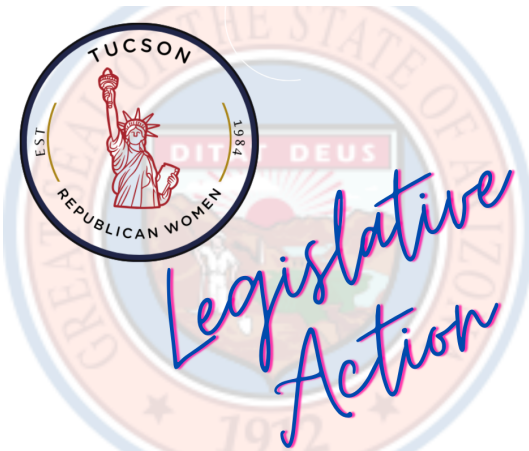

Our next meeting will be Monday, June 24th, 1130 am, at Sabino Road Baptist Church.

Our speaker will be Sheri Lopez. Sheri is a survivor of human trafficking. Come by and hear her story.

AZ Federation of Republican Women

Would you like to write an article in opposition to the AZ Abortion Access Act?

We need to send letters in opposition to the proposition. If anyone has questions, please contact Jill Norgaard at 602-402-6844 or jnorgaard@cox.net.

Interested in writing a Ballot Argument?

Ballot Arguments are published in the publicity

pamphlet (sample on the right/above) sent to every voter approximately a month before the election to educate them on the ballot propositions. There are arguments both FOR and AGAINST each measure.

Ballot Arguments are \$75 for each submission printed in the pamphlet. Arizona Free Enterprise is willing to pay the submission fee for Ballot Arguments on the following issues:

- Jungle Primaries
- Limiting Emergency Orders (abused during COVID)
- Partisan Primaries (keeping these)
- Geographic Distribution (Ballot Measures requiring signatures from all counties)

Two (2) Potential Citizen Initiatives (Initiative petitions must be filed by July 3rd):

- Say NO to California-Style Elections, Jungle Primary and/or Ranked Choice Voting (We are AGAINST)
- AZ Abortion Rights Initiative (We are AGAINST - It Goes too Far; Decline to Sign)

70K Challenge

NFRW challenged each club within each state to grow membership by 25%. TRW has reached that goal already! WE DID IT!!!

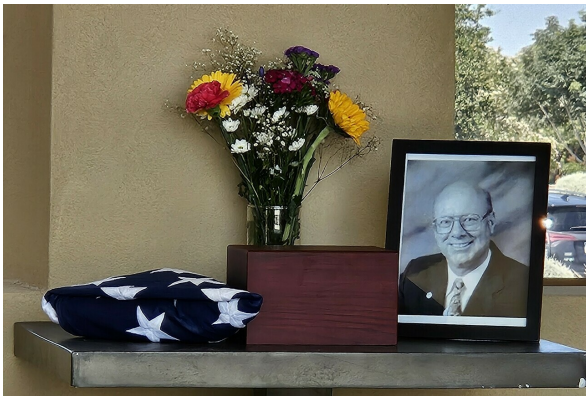

Congratulations ladies! Thank you to all who renewed their membership and recruited New Members.

In Memory of Michael Ebert

Mike was born June 10, 1942, and sadly left us on March 20, 2024, at the age of 81. He was a Veteran, proudly serving in the US Navy during the Cuban Missile Crisis as well as at the German "Iron Curtain" East/West divide. Mike called Tucson home for 50 years. He led the Pima County Republican Club for many of those years. His committal was at the Arizona Veterans'

Memorial Cemetery on Friday, June 7, 2024. In lieu of flowers, please donate to the Veterans' Cemetery Foundation [here](#).

In Memory of Lou-Ann Preble

Lou-Ann was born September 26, 1929, and sadly left us on May 2, 2024. She was an Air Force Wife, Mother, Grandmother, Great-Grandmother, Nurse, World Traveler, Civic Volunteer and Arizona State Legislator. She served in the legislature from 1992 until 2001.

A rosary was held at Brings Broadway Chapel, and a Funeral Mass was the next day.

In lieu of flowers, the family would appreciate donations to the St. Francis de Sales St Vincent de Paul Society, 1375 South Camino Seco Tucson, AZ 85710.

On June 6th this year is the 80th anniversary of D-Day. The Eisenhower presidential library printed the following description of D-Day

The D-Day operation of June 6, 1944, brought together the land, air, and sea forces of the allied armies in what became known as the largest amphibious invasion in military history. The operation, given the codename OVERLORD, delivered five naval assault divisions to the beaches of Normandy, France. The beaches were given the code names UTAH, OMAHA, GOLD, JUNO, and SWORD. The invasion force included 7,000 ships and landing craft manned by over 195,000 naval personnel from eight allied countries. Almost 133,000 troops from the United States, the British Commonwealth, and their allies, landed on D-Day. Casualties from these countries during the landing numbered 10,300. By June 30, over 850,000 men, 148,000 vehicles, and 570,000 tons of supplies had landed on the Normandy shores. Fighting by the brave soldiers, sailors, and airmen of the allied forces western front, and Russian forces on the eastern front, led to the defeat of German Nazi forces. On May 7, 1945, German General Alfred Jodl signed an unconditional surrender at Reims, France.
