Time is Flying — Don't Miss What's Coming!

I can't believe how quickly 2026 is flying by! If you missed our May meeting, you truly missed a wonderful afternoon filled with heartfelt patriotism and meaningful connection.

We took time to honor Memorial Day with a moving tribute to our fallen heroes. We explained the powerful symbolism of the Missing Man Table, shared a stirring reading of In Flanders Fields, and gave every member a beautiful bookmark with the poem. We also presented a touching slideshow featuring the heroes from our own members' families. It was a beautiful and emotional afternoon.

As we move forward, we are shifting into high gear to support our Republican candidates in the July Primary and November General Election. This is our moment to make a real difference!

There are so many impactful ways you can help get Republicans elected — whether it's phone banking, door knocking, or writing postcards. Every effort counts!

We'd love to see YOU involved — together we can make a powerful impact this election season.

Stay tuned for upcoming volunteer opportunities. Let's do this!

In Case You Missed It: April 27 Meeting Recap

At our April 27 meeting, we took a meaningful look at the history, structure, and enduring impact of Republican women—both nationally and here in Arizona.

We explored the origins of the National Federation of Republican Women (NFRW), founded in 1938 when leaders like Marion Martin brought together dozens of independent women's clubs into a unified, powerful organization. What began as a coordinated effort among 95,000 women has grown into the largest grassroots Republican women's organization in the country, with a presence in every state.

Members learned how Republican women have long been at the forefront of political strategy and voter engagement. From early efforts like Operation Coffee Cup and the "Ten Times Ten" telephone project to today's sophisticated grassroots mobilization, Republican women have consistently led the way in building relationships, educating voters, and supporting candidates.

We also discussed the critical role of the Arizona Federation of Republican Women (AzFRW) and how our local clubs fit into a larger, highly effective structure that connects

neighborhoods to the national stage. This network allows us to collaborate, share best practices, and maximize our impact across the state.

Most importantly, we reinforced that the mission remains as relevant today as it was nearly 90 years ago: to build leaders, energize communities, and elect Republicans. If you missed this meeting, we encourage you to stay engaged and take advantage of upcoming opportunities to connect and grow—especially the [AzFRW Summer State Meeting](#), June 4–6 in Tempe.

Together, we continue a proud tradition of leadership, service, and results.

Davis-Monthan Air Force Base is hosting its annual Freedom Fest this Friday evening — a big patriotic celebration for those with base access.

- Date: Friday, June 12, 2026
- Time: 6:00 PM – 9:00 PM
- Location: Bama Park (on base)

This family-friendly event will feature food trucks, live music, activities for all ages, and a festive atmosphere, culminating in a spectacular fireworks display.

For those without base access:
You can still enjoy the fireworks from various off-base locations. Popular viewing areas often include spots along the east side of the base such as:

- Areas near Wilmot Road
- Neighborhoods and open areas around Valencia Road (near Pima Air & Space Museum)
- Other elevated spots with clear eastern views of the base

Fireworks are typically visible from many southeast Tucson locations with a good line of sight toward the base. Best to arrive early and find a safe, legal spot.

Whether you're able to attend on base or watch the fireworks from off base, it's a wonderful opportunity to celebrate our nation and honor our military community.
