PREVIOUS PARTICIPANTS

In the first editions of the Algarve Cup we had over 30 teams, with more than 600 players fighting for the trophies. With the Pandemic and the horrible situation in Ukraine and Russia the Algarve Cup still managed to host an elite level tournament.

The Algarve Cup will always be played on the highest level, with teams meeting those requirements.

The first Algarve Cup U16 is won by Brondby IF. During the final against SL Benfica, penalties decided the winner of the first U16 tournament in Portugal.

The first Algarve Cup U17 is won by Portuguese Giants, Sporting Clube de Portugal. In the Portuguese final between Sporting and SL Benfica it was Sporting to bring home the trophy back to Lisbon.
