Important Information

To help drivers we have prepared this guidance note which we hope answers some of the questions which drivers might ask. This guidance is based on advice given by the Home Office and might be changed later if the Home Office advice changes.

What is happening?

From 1 December 2016 the Law about Licences over the whole of the United Kingdom will change. If you want to get a new Licence, or renew a Licence you already have, you will need to prove you have a 'right to work in the U.K.'. This is a change made by the Immigration Act 2016.

What documents do I need to show the Council?

This depends on who you are.

1. If you are a British Citizen we need either:

- your current Passport, or

- if you do not have a Passport, we need two documents together:

- A full Birth Certificate or Adoption Certificate (not an 'abbreviated certificate') issued in the U.K. which includes the name(s) of at least one of your parents or adoptive parents, and

- a document issued by a Government agency or a previous employer showing both your National Insurance number and your name (for example, a P45 or P60 tax certificate from an employer, or a letter from HMRC or DWP showing these details).

2. If you are a National of a "European Single Market" country, we need your Passport or National Identity Card.

3. If you are not in 1 or 2, we need your Passport and Visa or residence permit confirming your immigration status and right to work in the UK.

Can I use copy documents?

No. We need original documents - you cannot use photocopies.

When do I have to show the Council document(s)?

It depends on what you want.

- If you want a new Licence, you must show the Council documents when you apply for the Licence. If you do not prove your status then, we will not accept your Application.

- If you want to renew a Licence, you can lodge your renewal application before your current Licence expires (as at present), but you have 28 days after expiry to show the Council document(s). The 28 day period cannot be extended. Your Application is likely to be refused if you do not give us the document(s) within 28 days.

I was born here and have always lived here - why do I have to prove anything?

The Law applies to everyone, so we are not allowed to miss anyone out of the checks. However, if you were born here and have always lived here then it will be easy to prove your status.
