

Name: _____ Class: _____

Neuron Components

Cell Body or Soma

Axon Terminal

Dendrites

Axon (Clad in Myelin Sheath)

Synapse

Nucleus

Describe the function of the parts of the Neuron:

1. _____

2. _____

3. _____

4. _____

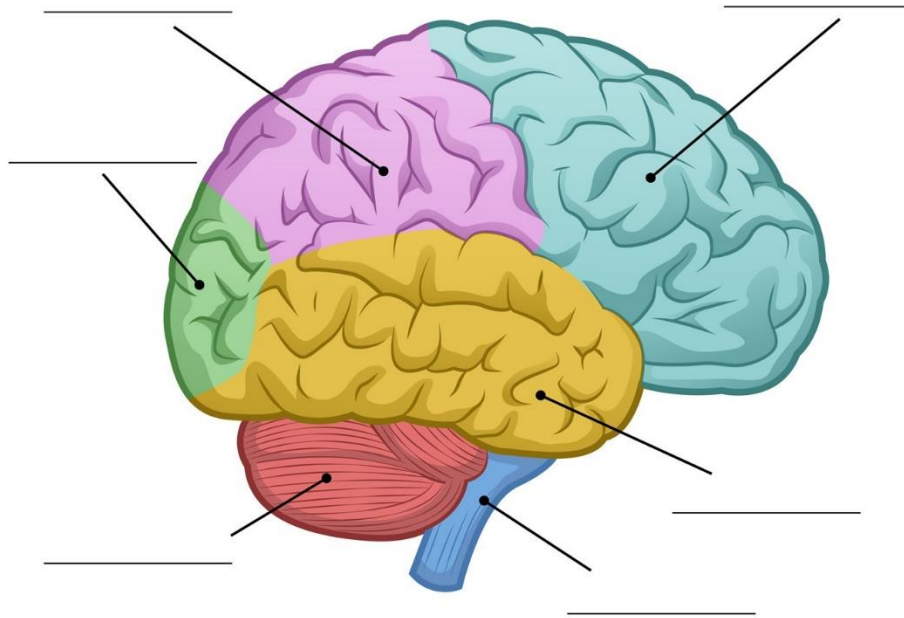

5. _____

6. _____

Label the Human Brain:

Name: _____ Block: _____

Identify the following Lobes of the Brain:

Identify the following:	Letter:	Describe the function:
Frontal Lobe	A	
Occipital Lobe	B	
Parietal Lobe	C	
Temporal Lobe	D	
Cerebellum	E	
Brainstem	F	

Label the Human Brain:

Name: _____ Block: _____

Identify the following:	Letter:	Describe the function:
Cerebellum		
Corpus Callosum		
Thalamus		
Hypothalamus		
Pons
