Thrive Teach Nurture Grow Inc.
Registered Charity

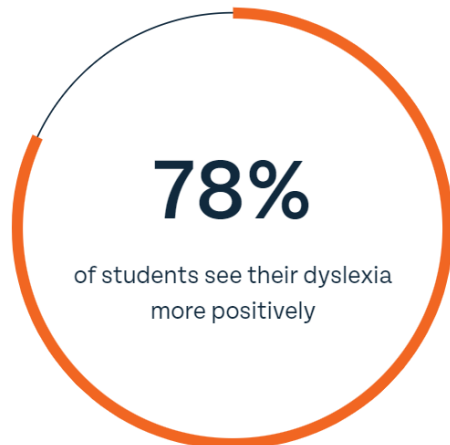

NoticeAbility is a nonprofit organization dedicated to helping students with dyslexia thrive by identifying their unique strengths and building self-esteem.

NoticeAbility incorporates the neuroscience of dyslexia and the power of EdTech to construct enrichment curricula for students in Years 5 -9.

Thrive Teach Nurture Grow Inc. is thrilled to facilitate these enrichment courses on the Central Coast.

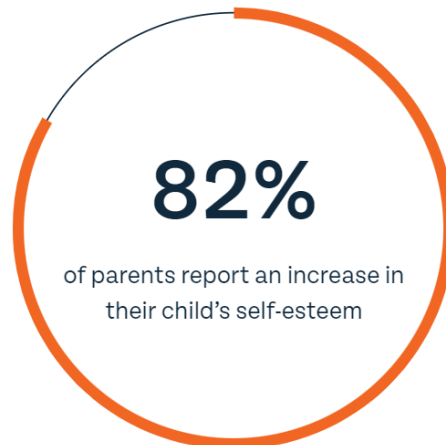

Please see our website for information on course dates.

Entrepreneurs & Innovators:

35% of entrepreneurs have dyslexia. If your child is a problem solver, tireless negotiator, or the relentless inventor, this is the class they need.

Engineering & Architecture:

If your child dabbles in machinery, writes computer code, or builds fortresses in Minecraft, look no further.

Consenses Arts:

Yeats, Picasso, Ansel Adams, Agatha Christie, John Lennon: Artists with dyslexia are ubiquitous. If your child enjoys the arts, they will thrive in this class.
