

*What to expect...*

# **GETTING AN EDUCATIONAL ASSESSMENT AT THRIVE**

## COMING TO THRIVE

You'll be coming to Thrive soon. Our centre is in sunny Saratoga.

Here at Thrive, you'll see comfy couches, pictures of famous people on the walls, and lots of happy students, parents and teachers.

Everyone is  
very  
friendly.

## WHO WILL BE THERE?

You might meet Katherine in the office and see some of our teachers.

## YOU'LL ALSO MEET ALISTAIR

Alistair is an Educational Psychologist.

That means he works with kids and adults to help them find out if they need some extra help in their Reading, Writing or Mathematics.

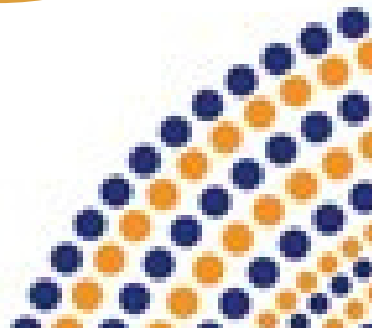

## WHERE WILL I GO?

Alistair will invite you and your parent into his office. There are comfy chairs and a bean bag.

## WHAT WILL I DO?

After a little while, your parent will step out and Alistair will show you some words, pictures, and numbers. He'll then ask you questions about them.

## HOW LONG AM I THERE FOR?

You will be with Alistair for a couple of hours. You will have a break in the middle to stretch, have something to eat and maybe even play with some of Alistair's Lego.

After you finish your session, you can go back to school or home. Some students come back the next day too.

When everything is finished, Alistair will invite your parent back into his office to talk about how he can help you and your family.

**WE MIGHT SEE  
YOU AGAIN  
SOON  
AT THRIVE**
