*A Complete Support Service  
for Students, Parents, and  
Allied Professionals*

At ThriveTNG Inc., we believe in the need for greater learning opportunities and social/emotional supports for individuals living and learning with dyslexia, and other learning differences on the Central Coast.

We believe in the value of diverse learning and thinking skills and are passionate about the positive 'reframing' of dyslexia for students, their families, and educators.

We pride ourselves on our big-hearted and specialist staff, and our professional and evidence-based practices.
