

\$5 Fridays

A Barrington Township Food Pantry Fundraiser!

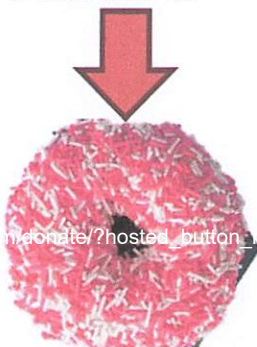

A few dollars might not buy much these days, a small cup of coffee, a few donuts, or a (very) small down-payment on a new Porsche

But a donation of \$5 would go a long way at the Barrington Township Food Pantry! Every donation means the world to us, no matter the amount. We'll use donations to procure fresh foods for our clients to choose from each time they "shop" at our pantry.

So, perhaps today you might skip the latte (well, maybe just the donuts) and send your savings to the pantry?

Click on the "*Donut Today*" and challenge your friends to do the same!

Thank You!!
